Voted: On motion by Nelson B. Todd, to indefinitely postpone action on the Article.

Art. 43. To see if the Town will vote to instruct the moderator to appoint a committee to investigate the school housing of the Town; to consider the advisability of altering the present school buildings or erecting new ones in order to care for increase in the number of pupils, and the possible necessity of providing within the Town, accommodations for high school pupils, and to report to the Town their recommendations not later than the next annual town meeting; such committee to consist of five persons, of whom one shall be a member of the Board of Selectmen, one shall be a member of the School Committee, one shall be a member of the Town Planning Board, and the other two shall be chosen from the other citizens of the Town.—By Planning Board.

Voted: On motion by N. B. Todd, that the moderator appoint a committee of five to investigate the school housing of the town, the advisability of altering the present school buildings, or erecting new ones, and the necessity or desirability of providing within the Town, accommodations for high school pupils, and to report to the Town their recommendations, not later than the next annual town meeting; one member of the committee to be a member of the Board of Selectmen, one to be a member of the School Committee, one to be a member of the Town Planning Board, and the other two to be chosen from the other citizens of the town.

Article 44. To see if the Town will vote to accept a deed from Thomas E. Cox, conveying to the Town of Lynnfield, a parcel of land in said Lynnfield adjoining the present Park on the westerly side running to the Saugus River, for Park purposes.

Voted: On motion by John Ward, that the Town accept a deed from Thomas E. Cox, conveying to the Town of Lynnfield, a parcel of land in said Lynnfield, adjoining the present Park on the westerly side running to the Saugus River, for Park purposes.

Art. 45. To see if the Town will vote to transfer right of ways known as Oak and Lake Streets to the Park Department.

Motion by William W. Moxham, that the Town vote to transfer right of ways known as Oak and Lake Streets to the Park Department, was amended by Carl H. Russell, that Article 45 be laid upon the table, that further information may be secured, and the amendment was carried.

All Articles having been acted upon, the meeting was dissolved at 10.45 p. m.

FREDERICK I. WILKINS,
Town Clerk.

SPECIAL TOWN MEETING, HELD AUGUST 31, 1931

The meeting was called to order at 8.03 p. m. by the Moderator and the Warrant and the Return of the Constable were read.

Article 1. To see if the Town will vote to use the unexpended portion of the money appropriated for the Main Street Work, for the Reconstruction of South Common Street, said money to be used with equal amounts, allotted by the Public Works Department and County Commissioners as recommended by the Public Works Department, or what it will do about it.

Motion was made by Archie L. Hayward, and seconded by William W. Moxham, that the Town vote to use the unexpended portion of the money appropriated for the Main Street Work, for the Reconstruction of South Common Street, said money to be used with equal amounts allotted by the Public Works Department and County Commissioners as recommended by the Public Works Department, and the motion was carried by a unanimous vote.

Art. 2. To see if the Town will vote to raise and appropriate the sum of $400.00, to be used by the Selectmen in settlement of claims for damages, for the taking of land at the property of Pamela D. Hasty and Ralph E. Cox, on Main Street, in connection with the widening and relocating of said street, or what it will do about it.

Motion was made by Archie L. Hayward and seconded by William W. Moxham, that the Town vote to raise and appropriate the sum of $400.00, to be used by the Selectmen in settlement of claims for damages, for the taking of land at the property of Pamela D. Hasty and Ralph E. Cox on Main Street, in connection with the widening and relocating of said street.

Harry F. Nesbitt made an amendment which was seconded by E. L. Phillips, that action on the article be indefinitely postponed, and the amendment was defeated.

The original motion was then acted upon and carried.

Article 3. To see if the Town will vote to rezone the property of Benjamin B. Shute, on the easterly side of Main Street, Lynnfield, Mass., with frontage of 540 feet and 200 feet deep, adjoining the property of Mary L. Smith and Louis K. Luff, from a Residential to a Business District, or what it will do about it; Louis K. Luff and others.

Motion was made by Henry A. Haskell, that action on Article 3 be indefinitely postponed and the motion was carried.

All articles on the Warrant having been acted upon, the meeting was dissolved at 8.45 p. m.

FREDERICK I. WILKINS,
Town Clerk.

TRAFFIC REGULATION PERMIT

Rule and Order as to Stop Signs

Every driver of a vehicle, street car or other conveyance, approaching an intersecting way at which there exists, facing him, an official sign, authorized by this board, said sign having apart from this regulation, the written approval of the Department of Public Works of the Commonwealth of Massachusetts, and bearing the word (Stop) shall before entering and proceeding through the intersection, bring such vehicle, street car or other conveyance to a complete stop at such line as may be clearly marked, or, if there is no line so marked, at a place between the said sign and the line of the street intersection. In the case of a line of two or more vehicles approaching such (stop) sign, the drivers of the second and third vehicles in any group shall not be required to stop more than once at said designated line or place or in the immediate vicinity. This rule shall not apply when otherwise directed by a police officer or by any other lawful traffic regulating sign, signal or device.

In accordance with the foregoing, the Board of Selectmen hereby authorize the erection and maintenance of an official stop sign or signs so as to face north bound drivers on Summer Street at Main Street, Lynnfield, Massachusetts.

Any person found guilty of violating any of the provisions of this rule shall be guilty of a misdemeanor and may be punished by a fine not exceeding twenty dollars for each offense.

Passed by the Board of Selectmen of the Town of Lynnfield, Mass., October 14, 1931.

PERMIT No. 184.

TRAFFIC REGULATION PERMIT

Under authority of Chapter 357, Acts of 1928 as amended, the Department of Public Works hereby approves the ordinance, by-law rule

or regulation made by the Selectmen of Lynnfield on October 14, 1931, with such exceptions, if any, as are noted herein.

Approval of any signs, signals, markings or devices is necessary in addition to approval of regulations.

DEPARTMENT OF PUBLIC WORKS,
By F. E. LYMAN, Commissioner.
RICHARD K. HALE,
H. A. MacDONALD,
Associate Commissioners.

To the Commissioners of Essex County:

Gentlemen:

The undersigned inhabitants of the Town of Lynnfield, respectfully represent that the way known as South Common Street in said town, which lies between Main Street and Summer Street, about 500 feet, and the way known as Summer Street, which lies between Main Street and Salem Street, is unsuited to the present requirements of traffic, and in parts narrow and the lines thereof uncertain, so that common convenience and necessity require that said ways above named, be altered or relocated and specific repairs be made thereon.

Wherefore, they pray that after due notice and a hearing, you may alter or relocate the said ways and discontinue any portions thereof which by reason of your action may no longer be required, and that you may order specific repairs to be made on the said ways, all as in your judgment may be necessary.

Walter H. Perry and nine others.

Court of County Commissioners

April Term, A. D., 1931, to wit:

June 23, 1931.

On the foregoing petition, Ordered: That said petitioners give notice to all persons and corporations interested therein, that said Commissioners will meet at the Court House in Salem in said County, on Tuesday, the twenty-eighth day of July 1931, at 11.00 o'clock A. M., by publishing an attested copy of said petition and of this order thereon, in the Daily Evening Item, a newspaper printed in Lynn, in said County,

once a week for three weeks successively, the last publication to be fourteen days at least before the said twenty-eighth day of July. And also by serving the Town Clerk of Lynnfield, with an attested copy of said petition and of this order thereon, thirty days at least; and by posting up an attested copy thereof in two public places in said town, fourteen days at least, before the said twenty-eighth day of July, at which time and place said Commissioners will proceed to view the premises and make such order in relation to the prayer of said petition as by law they may be authorized to do.

Essex, ss.

Court of County Commissioners

August term, A. D. 1931, held by adjournment at Salem.

Ralph E. Cox and others, inhabitants of the town of Lynnfield in said County, by their petition to said Commissioners, represent that that portion of the way known as Main Street in said town which lies between the Wakefield town line and a point about one-half (½) mile north of Lynnfield Center at the end of the alteration as made by the County Commissioners in 1929, is unsuited to the present requirements of traffic, and in parts narrow and the lines thereof uncertain, so that common convenience and necessity require that the said way within the limits above named be altered or relocated and that specific repairs be made thereon, and pray that after due notice and a hearing, the Commissioners may alter or relocate the said way, and discontinue any portions thereof which by reason of their action may no longer be required, and that they may order specific repairs to be made on the said way, all as in their judgment may be necessary.

This petition was entered at the April term, A. D. 1930, when notice was ordered given to all persons and corporations interested therein of the time and place when and where the Commissioners would meet for the purpose of viewing the premises and making such order in relation to the prayer of said petition as by law they may be authorized to do, as by their order of notice on file and of record will more fully appear.

And subsequently by various adjudications and decrees the Commissioners have adjudged that specific repairs be made for the full length of the highway as prayed for in said petition, and have altered the lines on portions of the highway, and have ordered a bituminous macadam

roadway to be built in all portions of said road except that portion in the immediate vicinity of the bridge over the Saugus River, and the petition in so far as it relates to that portion of the highway, including the bridge over the Saugus River, has been left open for further action, all of which more fully appears of record. And now the said Commissioners make return of their further proceedings in the matter as follows, viz.:

We did proceed and order specific repairs to be made on that portion of the road at and near the boundary line between the town of Lynnfield in Essex County and the town of Wakefield in Middlesex County in manner following, viz.:

The inhabitants of Lynnfield, in which town said way is laid, shall on or before the first day of January, A. D. 1932, rebuild that portion of the bridge over the Saugus River which lies within said town of Lynnfield, said bridge to have a clear span of twelve (12) feet and clearance over stream bed of four (4) feet, to consist of a reinforced concrete slab on concrete or rubble abutments, with suitable wing walls, the slab to be of sufficient width to carry a roadway thirty (30) feet in width and one sidewalk five (5) feet in width and provided with suitable wheel guards and balustrades on both sides of the bridge, the design of the bridge to be in accordance with the requirements of the Department of Public Works of Massachusetts, and they shall extend the bituminous macadam roadway on said Main Street from the end of the portion already completed to and over said bridge, a total distance of about forty-six (46) feet to the boundary line between said town of Lynnfield and the town of Wakefield, provided that said inhabitants may be able to make and may make suitable arrangements whereby the portions of said bridge within the town of Wakefield will be rebuilt at the same time by the proper parties, all of said work within the County of Essex to be done to the reasonable directions and requirements and to the acceptance of the said County Commissioners of Essex County.

And we have determined and awarded the damages sustained by persons in their property by reason of said specific repairs as follows, viz.: Nothing.

And the Commissioners acting under authority of Section 16 of Chapter 82 of the General Laws will reimburse the town of Lynnfield in a part of the cost of the work herein authorized to be done in that town.

In Testimony Whereof, we have hereunto set our hands this 25th day of September in the year of our Lord one thousand nine hundred and thirty-one.

And at the present term the County Commissioners did adjudge that common convenience and necessity require that specific repairs be made on said South Common Street, as prayed for in said petition, and thence the said petition has been continued to this time. And now the said

Commissioners make return of their proceedings in the matter as follows:

At the time of the view upon the petition for altering, etc., said highway, no person interested having objected, we, the County Commissioners for said County did proceed to order specific repairs to be made on said South Common Street, from Main Street to Summer Street, as prayed for in said petition, as follows, viz.:

The inhabitants of Lynnfield, in which town said way is laid, shall on or before the first day of January, A. D. 1932, build for the full length of said South Common Street, a bituminous macadam roadway at least twenty-four (24) feet in width and at least six (6) inches in thickness, said road to be properly crowned and graded and provided with proper shoulders, and they shall make all necessary provisions for sub-soil and surface water and erect guard rails wherever necessary, and complete the said road so that the same may at all times be safe and convenient for travel, all to the reasonable directions and requirements and to the acceptance of the said County Commissioners.

And we have determined and awarded the damages sustained by persons in their property by reason of said specific repairs as follows, viz.: Nothing.

And the Commissioners, acting under authority of Section 16 of Chapter 82 of the General Laws, will reimburse the town of Lynnfield, in a part of the cost of the work herein authorized.

And the petition in so far as it relates to Summer Street is left open for further action.

STATE AUDIT

THE COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF CORPORATIONS AND TAXATION
DIVISION OF ACCOUNTS
State House, Boston

May 12, 1931.

To the Board of Selectmen,
Mr. Archie L. Hayward, Chairman,
Lynnfield, Massachusetts.

Gentlemen:

I submit herewith my report of an audit of the accounts of the town of Lynnfield for the period from March 18, 1928 to March 31, 1931, made in accordance with the provisions of Chapter 44, General Laws. This report is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,
THEODORE N. WADDELL,
Director of Accounts.

TNW:B

Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston.

Sir:

As directed by you, I have made an audit of the books and accounts of the town of Lynnfield for the period from March 18, 1928, the date of the previous audit, to March 31, 1931, and submit the following report thereon:

The financial transactions of the town as recorded on the books of the several departments receiving or disbursing money for the town were examined and reconciled with the town accountant's books.

The books and accounts of the collector and treasurer, as treasurer, were examined and checked. The recorded receipts were checked with the records in the several departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the recorded payments were proved by checking in de-

tail all treasury checks issued during the period audited to the approved treasury warrants. Numerous errors which were found in checking both the receipts and payments were adjusted, and the corrected cash balance as of March 31, 1931, was established.

The treasurer's corrected cash balance on March 31, 1931, called for $2,090.13 more than the treasurer's bank balance, as determined by a reconciliation of the bank account, showed on that date. This amount was therefore transferred from the tax collector's account, the latter account showing, at the beginning of the audit, a cash balance in excess of $5,000 which had not been transferred to the town treasurer's account.

It is again recommended that the treasurer make a determined effort to prove his cash book balance with the treasurer's bank balance at least monthly, in order that clerical errors may be detected promptly and corrected.

The books and accounts of the collector and treasurer, as tax collector, were examined and checked in detail. The taxes, outstanding at the time of the previous examination, were audited. The commitments of poll and property taxes for the levies of 1928 to 1930, inclusive, as well as of motor vehicle excise taxes for the levies of 1929 and 1930, were checked in detail and reconciled with the assessors' warrants. The collections, as recorded on the cash books, were checked to the commitment books, the abatements were compared with the assessors' records of abatements granted, the payments to the treasurer were verified by a comparison with the treasurer's cash book, and the outstanding accounts were listed and reconciled with the accountant's books.

The outstanding accounts were further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town. The claim of one person that his taxes were paid and not credited by the tax collector was substantiated by presenting a receipted tax bill. The remaining replies to the verification notices would indicate that the outstanding taxes, as listed, are correct.

As may be seen from the table showing a reconciliation of the collector's cash, there appears a cash surplus of $481.42 in the collector's account, which is probably due to unidentified collections not entered on the cash books.

Considerable detailed checking was necessary in order to prove the collector's accounts, and this process substantially added to the work of the audit and its cost. The attention of the tax collector is called to the importance of properly balancing the cash daily, and of making all postings to the commitment books from the cash books, rather than from the stubs of receipted bills.

Payments to the treasurer should be made at least weekly, as required by Section 2, Chapter 60, General Laws, as amended.

In connection with the collection of interest on taxes, the collector should be governed by Section 57, Chapter 59, General Laws.

The books and accounts of the town accountant were examined and checked in detail. The recorded receipts were checked with the records in the several departments collecting money for the town and with the treasurer's cash book, while the expenditures were checked with the selectmen's warrants authorizing payments by the treasurer.

The appropriation accounts were examined and checked with the town clerk's record of appropriations voted by the town, the ledger accounts were analyzed and adjusted, and an adjusted balance sheet, which is appended to this report, was prepared showing the financial condition of the town on March 31, 1931.

The several trust funds in the custody of the town treasurer were examined, the income and disbursements being verified. In connection with the investment of town trust funds, attention is called to Section 54, Chapter 44, General Laws, which reads as follows:

> Trust funds, including cemetery perpetual care funds, unless otherwise provided or directed by the donor thereof, shall be placed at interest in savings banks, trust companies incorporated under the laws of the commonwealth, or national banks, or invested by cities and towns in securities which are legal investments for savings banks. This section shall not apply to Boston.

In addition to the departments and accounts mentioned above, the accounts of all other departments collecting money for the town were examined and checked.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax accounts, together with tables showing the trust fund transactions.

While engaged on the audit, I received the co-operation of the several town officials, and I wish on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDWARD H. FENTON,
Chief Accountant.

EHF:B

A complete report of the Audit is on file and open to inspection.

FREDERICK I. WILKINS,
Town Clerk.

The Board, feeling it was important to have a record of the equipment and supplies in the several departments of the town, requested the heads of the departments to present to the Board, complete inventories. These inventories are now on file.

Acting under Article 14, at the Annual Meeting held March 9th, the town voted to raise and appropriate the sum of $2,000.00 to be expended under the direction of the Selectmen, for equipment, for use on

the highways. Your Selectmen expended a part of said amount in the purchase of a Heavy Hydraulic Ford Dump Truck, equipped with extra Tuthill Helper Springs, 8 ply Firestone Tires on front wheels and 10 ply Firestone Tires on rear wheels.

The saving to the town through the use of this truck, practically covered the cost of same, and we feel it was a step in the right direction. A Baker Snow Plow was purchased to use with the truck, also a Sand Spreader and a Honer for leveling the road surface.

Carrying out the vote of the town at aforesaid meeting, acting under Article 17, we arranged for the completion of the Reconstruction Work on Main Street to the Lynnfield-Wakefield line, the contract for the completion of the work to the point of the Bridge being awarded to the State Construction Company, and we feel the work was performed very satisfactorily.

Your Board was successful in securing the co-operation of the town of Wakefield, and through their efforts, the co-operation of Middlesex County, in the construction of a very substantial reinforced cement bridge with abutments over the Saugus River at the Lynnfield-Wakefield line, which is 30 feet in width with a five foot sidewalk. The contract was awarded to J. E. Ballentine & Sons, Inc. We regret that the bituminous macadam road surface is very unsatisfactory, and in response to our complaint to the District Highway Engineer, he has advised us the work will not be accepted until spring, when the contractor will have an opportunity to put the surface in a satisfactory condition.

South Common Street had been in an unsafe condition for quite a period, and as there was a sufficient balance left from the Main Street appropriation, your Board were successful in finally securing the consent of the County and State to the use of a sufficient part of said balance to Reconstruct said street and build a bituminous macadam road under the direction of our Superintendent of Streets, with the supervision of a State Engineer, thus giving work to citizens of the town. This work was authorized by vote of the town, acting under Article 1 at a Special Meeting held August 31, the County and State each paying one-third of the cost.

A curbing was placed at the lines of the Common along South Common Street, the expense being cared for with the income from the "Nash Fund" which was given to the town for improvements in the town.

A petition has been entered with the County Commissioners and Department of Public Works for their co-operation in the Reconstruction of Summer Street from Main to Salem Streets and we hope their action will be favorable, as it will mean a very satisfactory road from Centre to South, which will be safer and much more enjoyable to travel

over, will help to develop real estate on that thoroughfare, thus bringing in an increased revenue for the town, also, for every dollar thus expended by the town they will receive two, through the co-operation of the County and State.

Traffic Regulations regarding Stop Signs was adopted by your Board and approved by the Department of Public Works, October 14, 1931.

There have been quite a number of applications made to the Board of Public Welfare for Old Age Assistance, and other assistance has been necessary in several needy cases, largely on account of unemployment and the situation should be met by an increased appropriation for the use of the department during the current year.

An application was received from Archie DeDominico of Everett, for a permit to run a bus line from Lynnfield Centre to Everett via South Lynnfield.

The Board held a hearing on the application, after duly advertising same, and after hearing the proposal of the applicant in detail and learning the sentiment of those present at the hearing, the permit was refused.

During the past year, we had a number of applications for dance hall permits, on one of which a hearing was held, and as the sentiment of the citizens of Lynnfield is strongly opposed to such projects, the permits were not granted.

A petition was received from Mr. A. B. Tenney, representing the Eastern Mass. Electric Company, for permission to install new poles with a capacity of carrying 15 transmission wires, paralelling the poles already installed over Broadway, Walnut, Salem and Summer Streets.

As the Company does not seem disposed to give your Board desired information regarding the construction of said poles and wires, also their future plans in connection with same, nor to accept conditions submitted to them, no definite action has been taken on the petition.

Many matters and problems have come before your Board during the past year and we have tried to handle them all for the best interest of the citizens of Lynnfield.

We take this opportunity to thank all Officers and Department Heads, employees and citizens of the town who have co-operated with and assisted us in anyway, during the past year.

Signed

ARCHIE L. HAYWARD, Chairman,
GEORGE W. PEAVEY,
WALTER H. PERRY,

REPORT OF CHIEF OF POLICE

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report for the Police Department for the year ending Dec. 31, 1931. There have been 24 arrests in Lynnfield by Lynnfield police, for the following reasons: driving under the influence of liquor, larceny, operating without lights, operating without license and drunkenness.

We have served 25 summonses for out of town police and we are sorry to report that there have been three deaths in Lynnfield by autos during the year.

In the absence of any report from the State Police, I do not know how many have been arrested in this town by the State Constabulary.

An officer has been on duty nights in both parts of the Town.

The Lynn Police have been very helpful in several instances.

Respectfully submitted,

ALBERT G. TEDFORD,
Chief of Police.

REPORT OF FIRE DEPARTMENT

To the Citizens of the Town of Lynnfield:

Herewith I respectfully submit my annual report of the Fire Department, for the year ending December 31, 1931.

The Department responded to eighty-five alarms, ten were building fires, two chimney fires, nineteen false alarms, two auto fires, fifty-two forest fires.

The loss on building fires has been small, due largely to quick response, and the very efficient work of the men.

Forest fires have cost the Town a large sum, both for equipment and very heavy pay rolls.

In my effort to further improve the fire alarm system, I have expended more money than I expected to during the past year, however there is a marked improvement in the entire system. I hope the citizens will soon feel that we can afford to authorize the expenditure of a sum of money for apparatus replacement.

Respectfully submitted,

WILLIAM W. MOXHAM,
Chief of Fire Department.

REPORT OF BUILDING INSPECTOR

To the Honorable Board of Selectmen:
Gentlemen:

During the year ending December 31, 1931, ninety-seven Building Permits have been issued from this office, tabulated as follows:

New Dwellings	26	approximate valuation	$79,700
New Additions to Dwellings	12	approximate valuation	9,200
New Business Buildings	2	approximate valuation	8,000
New Additions to Business Bldgs.	3	approximate valuation	7,300
New Garages, etc	36	approximate valuation	2,025
Repairs, Alterations, etc.	18	approximate valuation	3,800
Total Permits	97		$110,025

Fees for the above have been collected and accounted for to the Town Treasurer.

As will be noted, 1931 showed a marked increase in building activity over any year since the Building Regulations were adopted.

Thanking you for your co-operation and assistance during my term of office.

Respectfully submitted,
R. O. FRASER,
Inspector of Buildings.

REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report for the year ending December 31, 1931:

Oil Jars	29

Total fees collected, $19.63.

Respectfully submitted,
MINOT H. CARTER,
Sealer.

REPORT OF SUPERINTENDENT OF MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen: The past year's work was carried along the same lines as the previous three years.

Woodlands were looked over for Gypsy moth infestations.

The centre part of the town is extremely good, but the south part still has slight infestations. These infestations comprise woodland on Salem Street, Walnut Turnpike and off Summer Street. These infestations are being creosoted and, if necessary, will be sprayed. Brown-tail moth infestations were confined to five webs. This work is carried on under the State Supervision. I wish to call to your attention, and also the voters', that the Elm Leaf Beetle is back in town. In the centre part the elm trees are quite badly infested with the beetle, the south part is very slight.

If an appropriation is made this year for this special spraying, I think we can control them very easily.

Respectfully submitted,
LYMAN H. TWISS,
Supt. of Moth Dept.

REPORT OF DOG OFFICER

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report as Dog Officer for the year of 1931. Have answered 64 calls, killed 4 dogs, have found homes for 19 and have called and examined 4 sick dogs.

All dogs have been kept from 3 to 7 days before being disposed of, and to the best of my knowledge all dogs have been licensed.

Respectfully submitted,
EDGAR H. BROWN,
Dog Officer.

REPORT OF INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report as Inspector of Animals for the year ending Dec. 31, 1931.

I have inspected thirty-eight barns where animals were kept and found all to be in good condition.

Respectfully submitted,
ARTHUR W. BRYANT,
Inspector of Animals.

REPORT OF INSPECTOR OF MILK

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report as Inspector of Milk for the year ending Dec. 31, 1931. I have inspected the premises where milk was kept for sale and issued licenses in accordance with the law.

Respectfully submitted,
ARTHUR W. BRYANT,
Inspector of Milk.

REPORT OF INSPECTOR OF SLAUGHTERING

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report as Inspector of Slaughtering for the year ending Dec. 31, 1931. There has been no slaughtering in town during the year to my knowledge. I have filed all reports with the State Board of Health, according to law.

Respectfully submitted,
ARTHUR W. BRYANT,
Inspector of Slaughtering.

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

Gentlemen: During the past year we had two major jobs, one at Locust Street, So. Lynnfield, and at the willows on Chestnut Street, Lynnfield Centre. Both needed attention and so far have stood up well.

Most of the streets received an application of Tarvia or Road Oil and we propose to do the others this coming year.

The Town Equipment is in very good shape, except the roller. The tractor has been overhauled and is good for three or four years.

We also fixed a bad place on Summer Street, opposite John Temple's residence, also on Essex Street, opposite Skinner's. There is one place on Summer Street, just over the railroad crossing, I hope will get fixed this coming year.

There was the general patching also during the year.

Respectfully submitted,
MINOT H. CARTER,
Superintendent of Streets.

REPORT OF LIBRARY TRUSTEES

To the Citizens of the Town of Lynnfield:

The books in the Libraries are circulating very freely.

The upstairs front room at Centre Library has been in use the past two years by the SEA SCOUTS, Troop No. 53, for their assembly room and a shelf has been set aside for books and magazines pertaining to the sea and sea life, boats, etc.

There is a great demand for new books of fiction, also books on Russia and Alaska.

Indications are that a new heater and basement will be necessary in the near future.

We take this opportunity to thank our Reading Committee for timely assistance and advice, also those who have so generously contributed literature during the past year.

Reports of the Librarians of the Main and Branch Libraries accompany this report.

Respectfully submitted,

WILLARD I. OLMSTED,
HARRY E. MAYNARD,
MALCOLM C. EATON,
Trustees,

REPORT OF TREE WARDEN

To the Citizens of the Town of Lynnfield:

At the last annual town meeting an appropriation of $700.00 was made to take care of the shade trees. This amount was used to take

down dead trees, and to trim up trees where there were dead and dangerous limbs, also some was used for cavity work. There is still a large amount of such work to be done which is very slow and costly.

I hope the townspeople will make an appropriation to plant some new trees in various parts of the town, especially along Main Street, where so many were taken down, due to new road construction. The street trees, as a whole, look very good, but I hope the appropriation will be much larger so that more work can be done along these lines.

Respectfully submitted,

LYMAN H. TWISS,
Tree Warden.

REPORT OF THE PARK DEPARTMENT

Dec. 31, 1931.

To the Citizens of the Town of Lynnfield:

Considerable improvement has been made at Suntaug Park in the past year, as shown by the following report:

The playground has been brought to a grade and the large amount of granite and field stone removed.

The buildings have been repaired.

Seats have been placed in the grove.

The trees have been trimmed and dead trees removed.

A tennis court has been built which has been constantly used and very favorably commented on.

Entrance roads have been made passable.

Note: Of the eight hundred dollars ($800.00) spent on this work, about seven hundred and fifty ($750.00) went to town labor or teaming.

Other work and improvements are:

The common at "The Center" has been trimmed and mowed and some grading done on it.

The land given the town by the Town of Wakefield and Mr. Thomas E. Cox has been graded and the bushes trimmed.

The "Jenney Common" and the "Church Common" have been mowed.

Respectfully submitted,

EDWARD M. FLETCHER, Chairman.
ALBERT F. NEWHALL.

REPORT OF MEMORIAL DAY COMMITTEE

To the Citizens of the Town of Lynnfield:

The appropriation for Memorial Day, May 30, 1931, $200.00, was used as follows:

Decorating 115 graves semi-annually	$ 47.00
Parade music	110.00
Dinner expense	43.00
	$200.00

Respectfully submitted,

T. HAWLEY,

Treasurer of Committee, Lynnfield Post 131, A. L.

Dec. 31, 1931.

REPORT OF PLANNING BOARD

To the Citizens of the Town of Lynnfield:

Our report this year is short, not because we do not realize there are a number of matters which could be presented to the citizens, but because we believe we can be of more benefit to the Town this year by advocating saving money where reasonably possible.

The school question which we presented for the attention of the townspeople in our last report is receiving the attention of the special committee appointed under the authority of the town meeting of 1931. The solution of the question is a difficult one and the committee's report should receive the careful consideration of every citizen.

We recommend that the by-laws of the town be brought up to date. No collection has been made for approximately 20 years and those adopted since that time can be found only by searching through the town reports. We believe this is a matter worthy of attention, although it undoubtedly is not one which the statutes of the Commonwealth instruct Planning Boards to inquire into.

Respectfully submitted,

NELSON B. TODD, Chairman,
ALBERT P. MANSFIELD,
EDWARD W. PIERCE,
CARL H. RUSSELL,
H. LOUISE WORTHEN.

Dec. 31, 1931.

REPORT OF CEMETERY COMMISSIONERS

To the Citizens of Lynnfield:

The Cemetery Commissioners would report that they have worked to keep the five cemeteries of the town in good condition this last year.

At Forest Hills Cemetery, in addition to the regular maintenance

work, one more avenue has been graded and gravelled this last year, this latter being a very important permanent improvement to this cemetery.

At Willow Cemetery in addition to the regular maintenance work, some very heavy grading is being done. This is expensive work, but we think our Town people realize that the cemetery will never look well or be satisfactory until the low unfinished section next to the street is filled in and graded. This work when completed will add a large number of desirable lots to this cemetery.

SETH H. RUSSELL,
Chairman.

ANNUAL REPORT

of the

SCHOOL COMMITTEE

and

SUPERINTENDENT OF SCHOOLS

TOWN OF LYNNFIELD
MASSACHUSETTS

Year Ending December 31, 1931

SCHOOL COMMITTEE 1931

Louis B. Tuck, Chairman .	Term expires 1932
Elizabeth Deans, Secretary .	Term expires 1933
Harold P. Peabody . . .	Term expires 1934

REPORT OF THE SCHOOL COMMITTEE

The yearly increase in attendance in our schools seems small, yet when one looks back even a few years it is quite startling. In 1925, we had 207 pupils in our school, in 1931 the number had grown to 239, an increase of 10% in six years. In 1925 our high school pupils totalled 58, in 1931 this number had been increased to 107, an increase of 84%. Next year we estimate 117 pupils in High School.

The cost per pupil is greater in High School, than in our elementary school, and this increase accounts for our ever increasing costs in the School Department.

At the start of the fall term, we found the total number of pupils in the 1st and 2nd grades at the South School was in excess of the legal limit for one teacher to have in charge in one room. Children entering school require more of the teacher's attention than older pupils familiar with school discipline, and we were required to hire an additional teacher and partition the room formerly used. This partition was installed in such a manner that it can be removed at a minimum cost when and if conditions warrant.

Early in the fall term, a pupil in the South School was stricken with Poliomyelitis (infantile paralysis) and this School was closed for one week, which is the usual quarantine period for this disease. Shortly after this, one case developed in the Centre School and this school was closed for the same period. On the re-opening of each school, the School Physician and School Nurse examined all the pupils daily until certain no other pupils were infected with this dread disease.

The playground equipment at the South School was repaired during the summer vacation, and enough rock dust used to fill in the depressions in the playground.

The Parent Teacher Association at the Centre raised the money and installed on the grounds of the Centre School, play ground equipment at a cost to them of about $150.00. Later the Parent Teacher Association presented this equipment to the Town and it was formally accepted at a Regular School Committee Meeting with our appreciative thanks, and will be carefully looked after. Permission was also given the Parent Teacher Association to plant a Red Maple on the School grounds last Arbor Day and in June to take the pupils of the 7th and 8th grades to visit the Historical towns of Concord and Lexington.

On account of the fact that a Special Committee was appointed by the Moderator at the last Town Meeting to report on the School Housing situation in Town, the School Committee will not report on the physical condition of our school buildings, except to say we have received a report from the Inspection of the Public Safety Commission of the Commonwealth on the condition of the South School. We have acted upon as many of these recommendations as possible, the major recom-

mendation was concerning a change in the lighting system. This will be left until after the action taken by the Town on the report of the School Housing Committee.

The brook running through the rear of the school grounds at the Centre was piped and this was done within the appropriation voted at the Town Meeting. After the pipes were laid, they were covered by the soil removed in building a new road on Main Street.

The Lynnfield Post of the American Legion have our appreciative thanks for carrying on the Memorial Day Exercises in our School, and also for the Americanization work they are doing in the Town. In some large towns and many cities, special teachers are engaged for this important work, and we are fortunate in having this extra curricula work done by those so well able to do it.

During the past year, we had 100% attendance at every meeting and we have tried at all times to hold our expenditures to a minimum, and at the same time maintain the standards that are demanded in the Schools of the present time.

Respectfully submitted,

LOUIS B. TUCK,
Chairman of the School Committee.

SUPERINTENDENT'S REPORT

To the School Committee,
Dear Madam and Sirs:

I have the privilege, as Superintendent of Schools, of presenting to you, and through you to our citizens, my ninth annual report concerning the schools of Lynnfield.

ENROLLMENT

At the close of school in December, one hundred twenty pupils were enrolled in the Center School and one hundred thirty-one in the South School. Tuition at this time was being paid, for one hundred

four pupils at Wakefield High School, four in Lynn High School and one in the Melrose High School. Two pupils were enrolled at the Essex County Agricultural School for whom the town pays only transportation charges.

The above figures show that two hundred fifty-one were enrolled in our schools while one hundred eleven were being provided secondary school privileges elsewhere.

The total school enrollment of three hundred sixty-two is the largest yet enrolled.

TEACHERS

Changes in the teaching force for the year are as follows:

Resignations: Miss Kathleen Fraser, Miss Mildreth Parkhurst, Miss Abbie U. Cragg.

Appointments: Miss Lydia Whittemore, Miss Isabel C. Thompson, Miss Frances Stockley, Miss Mary Dodge, Miss Alice M. Riley.

Owing to the large enrollment in grades one and two at the South School in September, it became necessary to assign the first grade to Mrs. Munroe and secure the services of Miss Dodge to teach the second grade. This division of work will be continued only so long as the large enrollment makes it necessary.

The services of Miss Alice Riley, a graduate of Posse-Nissen School of Physical Training, have been secured to plan and carry out with teachers an up-to-date physical training program in all grades. Miss Riley devotes one-half day's work each two weeks at a building in teaching and supervising the work. The work is carried out daily for a twenty minute period on the playground, weather permitting, otherwise in the classroom. Results thus far have been most satisfactory and without question seem to warrant the small expenditure.

NEW COURSES

At the opening of schools in September there had been provided for our adoption and use two new courses of study:—A Course of Study in Art and a Course of Study in Physical Education.

These courses were prepared under the direction of the State Steering Committee on Curriculum Revision. Sub committees of instructors, superintendents and specialists in the several fields of work have prepared for the above Steering Committee these courses which are very definitely outlined. General objectives for each course as well as specific objectives for each grade are given as a guide in organizing and putting the course in operation. Many suggestions and recommendations are made in the courses for correlating the work of each with that of other school subjects and outside activities.

TIME SCHEDULE

Acting upon the request of parents having children enrolled in the first grade, the length of school sessions for these pupils have been lengthened to correspond with time schedule for all other pupils in the schools.

The work for the first grade pupils has been so arranged that they are now being given more active work, thereby not overtaxing them mentally. In so far as my observations have been made, lengthening of school hours for these pupils does not work any hardship upon them.

MEDALS FOR EXCELLENCE

Rewards for excellence in scholarship and traits in citizenship were made to pupils from both schools by the American Legion Post and Auxiliary co-operating at public exercises held last June.

It is gratifying to those working with the young people to have organizations like the above undertake such commendable plans for raising the standards of citizenship among the younger generation. It impresses upon these pupils that opportunities provided them come only through effort of the severest nature and that individual citizens and organizations are ever ready to commend traits of the highest citizenship as well as of high scholarship.

High standards of scholarship and citizenship are the goals to which every pupil is directed in his daily work at school. Co-operation from all agencies in helping the schools make it possible for our boys and girls to reach such goals are always appreciated.

SCHOOL EXPENDITURES

No department in the town requires as great an expenditure as does the school department. Doubtless the question arises in the minds of the taxpayers as to whether or not the school budget cannot be cut. I might take the space in this report to explain in detail each item of expense as given in the expenditures of 1931, but I do not think this necessary. I believe the taxpayers elect to serve on the school committee three members in whom they have full confidence. Members whose purpose it is to provide for the children of Lynnfield the best educational opportunities possible without wasting the taxpayers' money.

I believe there has never been a time when the employees in a school system have realized that there should be less waste and greater results from expenditures than at the present time.

It is my one aim at this period of depression to maintain the highest standard possible in the schools without recommending unnecessary expenditures.

Realizing that certain financial difficulties, with which many cities and towns are confronted, are quite foreign to Lynnfield I believe we can still maintain our schools as in years past without making the taxpayers carry an unnecessary burden of expense.

EDUCATION AS A NATIONAL ASSET

The following excerpt from an address given by Honorable Herbert Hoover, then Secretary of Commerce, before the Department of Superintendence in 1926 seems more applicable in these troublesome times than when given.

"About one-fourth of the whole population of our country is always simultaneously engaged in the same occupation—the job of going to school. It is the largest group in any one employment. To use a term of the Census it is truly a "gainful occupation." Moreover, as nearly the whole people have worked at it at one time or another, no matter how diverse their later life may become, they all have a common memory of the school yard and the classroom, and they all have a lasting affection for some teacher.

"Not three other industries in our country can boast of so large a physical plant as yours. Hundreds of millions are invested in new construction every decade, and still, in commercial slang, you are behind your orders, as witness the unsatisfied demand for seats in the schools of every city in the country. Yours is a big business. And it is big in its responsibilities and bigger in its possibilities than any other business ever undertaken by our countrymen.

"No nation in the world's history has so devoutly believed in and so deeply pledged itself to, free universal education. In this great experiment America has marched in advance of all other nations. To maintain the moral and spiritual fibre of our people, to sustain the skill required to use the tools which great discoveries in science have given us, to hold our national ideals, we must not fail in the support and constant improvement of our school system.

"Both as the cause and the effect the maintenance of our complex civilization now depends upon it. From generation to generation, we hand on our vast material equipment, our knowledge of how to run it, and our stock of intellectual and spiritual ideas. If we were to suppress our educational system for a single generation the equipment would decay, the most of our people would die of starvation, and intellectually and spiritually we should slip back four thousand years in human progress. We could recover the loss of any other big business in a few years—but not this one. And unless our educational system keeps pace with the growth of our material equipment we will slip also."

The above places before us, as citizens of our town, a challenge.

Future generations will be able to judge as to whether we met it wholly or only in part. To meet the challenge requires the united effort of all worthy of our American citizenship.

In conclusion may I say that I appreciate the privilege of serving in the schools that the three hundred sixty-two boys and girls may through our united efforts profit from educational opportunities provided.

Respectfully submitted,

J. D. WHITTIER,

Superintendent of Schools.

REPORT OF THE SCHOOL NURSE

To the Superintendent of Schools,
Dear Sir:

I herewith submit my seventh annual report as School Nurse for the Town of Lynnfield.

GENERAL WORK OF NURSE

The general work consists of weekly visits to both schools, general inspection of all grades, home visits, clinics, clerical work, hospital trips, first aid and simple dressings, eye and ear examinations, weighing, measuring, and necessary follow-up work.

Follow-up-work means checking up cases with physical defects or those suspicious of contagious or communicable diseases.

All health work carried on in the schools is done with one thought in mind:—To help the individual child to become a physically fit citizen.

Number of simple dressings, both schools	35
Number of home calls made	65
Number of clinics held, both schools	12

PHYSICAL EXAMINATION

At the beginning of each school year the School Physician, Dr. F. W. Freeman, gives every child attending school a physical examination. The following is a report of physical defects found as a result of the examinations.

	South School	Centre School
Tonsils	9	21
Teeth	15	12
Heart	1	0
Posture	15	18
Swollen Glands	10	7

EYE AND EAR EXAMINATION

	South	Centre
Defective Eyes	11	9
Defective Hearing	4	2

RESULT OF WEIGHING AND MEASURING

	South	Centre
Number 10% or more underweight	16	15

CONTAGIOUS AND COMMUNICABLE DISEASES

We were rather unfortunate regarding contagious and communicable diseases this past year as following summary shows:

	South	Centre
Chicken Pox	17	15
Measles	23	5
Infantile Paralysis	1	1
Ivy Poison		7
Scarlet Fever		2
Impetigo	7	6
Scabies	1	

IMMUNIZATION

A clinic was held last May giving parents of all children an opportunity to have their children immunized against diphtheria. Many parents gave their consent for the immunization of their children.

The treatments were given by Dr. Robert E. Archibald, M. D., District Health Officer, assisted by Dr. F. W. Freeman, School Physician and myself.

The total number immunized at the clinics were:
South School, 66. Centre School, 48.

All those immunized were given the Schick test this fall to determine if immunization treatments were successful. A few reacted to the test, showing that they should take more treatments for positive protection.

	South	Centre
Number having had treatments and still reacting	3	1
Number not immunized but taking test with positive reaction	3	5

We are in hopes when the next clinic is held this year that more parents will have their children immunized against diphtheria.

CORRECTIVE WORK

	South	Centre
Corrected Teeth	29	44
Corrected Tonsils	5	3
Corrected Eyes	4	3

HEALTH DAY PROGRAM

During May, Health Tags were awarded the same as of last year.

AWARDS

	South	Centre
Dental Tags	29	44
Weight	73	113
Posture	76	80
Physically Fit Tag	24	34
Improvement	10	18

In closing I wish to thank the school committee, superintendent, parents, teachers and pupils for their kindly co-operation and interest in the health program carried on in the schools.

Respectfully submitted,

FLORENCE L. STOBBART, R. N.,
School Nurse.

AGE OF ADMISSION

No child will be admitted to the first grade at the opening of school in September, who was not five years of age on or before the first day of April preceding his entrance.

Exception: Pupils not five years of age by April first will be admitted provided that they pass an intelligence examination showing a mental ability of five years and five months. Parents are to make application to the School Committee for admittance of said pupils prior to August twentieth.

Pupils are admitted to this grade only during the first two weeks of school in September unless they have attended school in some other town.

VACCINATION

Children who have not yet been vaccinated will not be admitted to school in September unless they present a certificate from a regular practising physician, stating that they are not fit subjects for vaccination. Parents are requested to attend to this matter during the summer vacation, as certificates of vaccination or exemption must be presented at the opening of school to entitle children to admission.

REPORT OF COMMITTEE ON SCHOOL HOUSING

The undersigned committee, appointed by the moderator as instructed by vote of the Town at the Town Meeting in March, 1931, after carefully considering the various questions entrusted to it by the Town submits the following report:

PRESENT BUILDINGS.

South School. Originally constructed as a two-room building some 60 years ago; two rooms added in 1913, one of which in the Fall of 1931 was divided into two rooms. Of these five rooms three are located on the first floor and two on the second floor.

Centre School. Originally constructed as a two-room building in 1902; two rooms added in 1919. All four rooms are on the first floor.

Both buildings serve only for the elementary grades 1 to 8.

High School. As is of course well known, the Town does not maintain a high school. Practically all the children in the Town attend the Wakefield high school; three or four are students at high schools in other places.

CONDITION OF PRESENT BUILDINGS.

The Centre School is in good condition. The lighting, heating and ventilation are all adequate, and the building can readily be enlarged by the addition of wings, if occasion requires. The Centre School is located in the centre of a large lot of land and there is sufficient playground room for school purposes.

The South School is generally unsatisfactory. It is shaded in front by trees. Its lighting and ventilation is by no means modern. While an addition could be made to the building, in view of the type of the building itself, its location, and the size and general character of the school lot, it would, in the opinion of the committee, be unwise to build an addition to this school house. The playground facilities are cramped and about one-half the lot is unusable unless considerable expenditure is made for filling.

NUMBER OF PUPILS.

At the present time there are in the South School 119 children; at the Center School 120 children. They are divided as follows:

South School		Center School	
1st grade	24	1st grade	15
2nd grade	19	2nd grade	10
3rd grade	14	3rd grade	17
4th grade	18	4th grade	11
5th grade	15	5th grade	19
6th grade	11	6th grade	15
7th grade	5	7th grade	23
8th grade	13	8th grade	10

The committee has been unable to ascertain the number of children below school age at the time of opening schools in 1931. It has been informed, however, that in 1930 there were 116 children in the Town under 5 years of age.

CAPACITY OF BUILDINGS.

Centre School. Although each of the rooms at the Centre School can, if necessary, accommodate approximately 40 children, giving a maximum capacity of 160, the committee is of the opinion that the rooms should not be used to their capacity so long as each teacher must, as at the present time, handle two grades. Such condition could, of course, be permitted to exist for a short period if it appeared clear that it would not continue or was only for such length of time as might be necessary to provide additional necessary school accommodations.

South School. This school can accommodate as a maximum 160 children, but, as in the case of the Centre School, so long as a teacher must handle two grades, for the best interests of the children, the rooms should not be used to their maximum capacity.

GROWTH OF SCHOOL POPULATION.

The following table will show the increase in number of children attending the town schools and attending high school each year from 1925 to and including 1931:

	South	Centre	High School
1925	109	98	58
1926	116	115	66
1927	107	124	62
1928	130	127	75
1929	122	114	87
1930	114	124	90
1931	119	120	107

From these facts, it seems to the committee that it is time for the Town to begin to take steps to provide additional accommodations for our school children. Our grade schools are close to their capacity and we have no high school of our own, nor can we be certain that we can continue to send our children to high schools in other towns. Our townspeople will recall that two years ago the school committee was informed by the Wakefield school committee that our children would not be taken into the Wakefield high school after that year, and it was only after a considerable amount of work had been done that the Wakefield committee was willing to reconsider its action and agree to again take the children.

POSSIBLE SOLUTIONS.

The following solutions are offered:

1. Continue to send high school children out of town; enlarge the Centre School when necessary; and build a new six or eight room school at a new location to replace the South School ,selling the present South School and lot.

2. Continue to send high school children out of town; discontinue the use of both the Centre and the South schools, selling the properties; build a new grade school at some central location, of such capacity as will take care of the estimated requirements for grade school pupils at the present time and for the next twenty years.

3. Continue to use both the Centre and the South schools, and build a new school house at some central location, to be used as a combined junior and senior high school. Take the seventh and eighth grades from the Centre and South schools into the new building, thereby making available increased accommodation for the first six grades in those older buildings.

RECOMMENDATIONS.

The committee recommends that the Town adopt the third solution, that is, that a tract of land of sufficient size—at least 10 acres—be purchased in some central location, provided such land can be found which without too great an expense can be put into condition for school purposes and playground uses, and that a new building be erected thereon of substantially fireproof construction, built in accordance with the so-called unit system—that is, capable of enlargement as conditions demand and without unnecessary expense—of sufficient size to accommodate our high school children and children in the seventh and eighth grades,—the building, of course, to be sufficiently large to take care of estimated growth in school population for the next twenty years.

REASONS FOR RECOMMENDATIONS.

Although the committee recognizes the desirability of a new grade school building to replace the South School, the construction of such a school will not solve the problem at the Centre School, and if the construction of this building is to be undertaken it will be advisable at the same time to add at least one room to the Centre School. The cost of an elementary school, while not so great as that of a high school to accommodate the same number of pupils, nevertheless would be expensive, and the committee estimates that it would cost to build and equip a grade school of at least six rooms, without including the land, in the vicinity of $85,000.

If we are to look sufficiently far into the future, such a building should contain eight rooms and not six, which, of course, would add to the cost of construction and equipment.

The committee estimates the cost of building and equipping an additional room at the Centre School to be about $12,000.

This solution would not, however, provide us assured high school facilities, and if, within a few years after construction of a new grade school, we should be compelled to furnish our own high school accommodation, we should then be obliged, long before the grade school was paid for, to face the additional expense of new high school construction. The construction of a junior-senior high school will remove the necessity for some time to come of an addition to the Centre School or of increased facilities at the South School and will definitely assure the Town of permanent high school facilities.

COST OF HIGH SCHOOL.

The committee is informed by the State Board of Education that the cost of building and equipping a high school of sufficient size to accommodate the present number of pupils, with the estimated increase for the next fifteen years, can be kept to about $100,000. The Town of Hamilton is now building a combined junior and senior high school which will accommodate approximately 250 children, and the committee is informed by the Superintendent of Schools that the cost of the building and equipment will be about $128,000.

The committee estimates the cost of operating our own high school, including the necessary teachers, etc., would be approximately the same sum as Lynnfield is now paying to the cities and towns for high school instruction for our children. Of course, a major part of this expense is for the operation of the building and for teachers' salaries, which would not increase unless there was some material increase in the number of pupils. On the other hand, it should be kept in mind that establishing a junior-senior high school will result in an increase in school expenses necessitated by the operation of such system, and also there will undoubtedly be further expense as additional teachers are employed to take care of the pupils in the lower six grades. It is not fair, however, to attribute this increase in expense to establishment of a high school within the town. If a high school is not so established, it will, as has heretofore been pointed out, be necessary to provide additional accommodations at both the Centre and the South Schools, and this will involve the hiring of additional teachers and the purchase of additional equipment, which will, to some extent if not entirely, offset the additional expense other than high school just referred to.

Respectfully submitted,

GEORGE W. PEAVEY, Chairman,
LOUIS B. TUCK, Secretary,
WESLEY W. MUNROE,
NELSON B. TODD,
PETER J. WALSH.

ACCOUNTANT'S CERTIFICATE

I have examined the cash deposits and securities in the various Trust Funds in the hands of the Town Treasurer and find them to be as stated in the Treasurer's Report.

I certify that the books of the Town agree with the cash receipts as reported by the Treasurer and that the payments, by the various departments, were as stated in the foregoing report.

The foregoing Balance sheet sets forth the financial condition of the Town as at December 31, 1931.

There is an amount of $4,570 due from the State for transportation of High School pupils which will be received in March 1932. There is, also, one bill unpaid for Tuition of High School pupils at Wakefield amounting to $6,248. This bill would have been paid in 1931 had the Town received nearly $7,500 due from the State for Transportation and from the State and County on Main Street Construction. Payment will be made, however, early in 1932.

The Treasurer has found it exceedingly difficult to borrow money in anticipation of taxes and it would be advantageous to the Town if all unpaid taxes were settled with as little delay as possible.

I take this opportunity to thank those heads of departments who supplied their annual reports promptly, as such co-operation helps considerably in compiling this report.

CARL H. RUSSELL,
Town Accountant.

RECORD OF TOWN MEETINGS

ANNUAL TOWN MEETING HELD MARCH 14, 1932

CALLED AT 7.30 P. M.

Article 1. To see if the Town will vote to suspend the rule, in regard to not allowing debate on a motion to indefinitely postpone.

On motion by Henry F. Smith, it was voted to indefinitely postpone action on the article.

Art. 2. To choose all town officers not required to be chosen by ballot, viz: Three Field Drivers, one Pound Keeper, and three Wood Measurers.

On motion by Henry F. Smith, it was voted to appoint James D. McNamara, Daniel J. McCarthy and Joseph F. Smith as field drivers, Joseph F. Smith as pound keeper, George M. Roundy, William E. Roundy and Albert G. Tedford as wood measurers.

Art. 3. To act upon reports of town officers and special committees as published.

Voted: On motion by Nelson B. Todd, that the reports of town officers and special committees be accepted as published, for information.

Art. 4. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money on and after January 1, 1933, and to issue a note or notes therefor, payable within one year, any debt or debts incurred under this vote, to be paid from the revenue of the financial year beginning January 1, 1933.

Voted: On motion by John Ward, that the Town authorize the Treasurer, with the approval of the Selectmen, to borrow money on and after January 1, 1933, and to issue a note or notes therefor, payable within one year, any debt or debts incurred under this vote, to be paid from the revenue of the financial year beginning January 1, 1933.

Art. 5. To see if the Town will vote to raise and appropriate a sum of money to cover the expense of General Government of the Town, viz: Town Officers' salaries and expenses, eare of Municipal Buildings, and Elections and Registrations, or what action it will take thereon.

Archie L. Hayward's motion, that the Town vote to raise and appropriate the sum of $8250.00 to cover the expense of General Government of the Town, viz: Town Officers' salaries and expenses, care of Municipal Buildings, and Elections and Registrations, was amended by John H. Tedford, that the amount raised and appropriated be $7000.00. Amendment was lost and the original motion was carried.

Art. 34. To see if the Town will vote to accept as an addition to Section Four (4) of the Building Regulations the following:

"All buildings hereafter erected, which are to be used in whole or in part for residential purposes, shall have floor timbers under all floors, not less than 2 in. x 8 in. and the timbers supporting ceilings but not floors, not less than 2 x 6 inches, and the roof rafters, where the pitch is less than one-fourth the width, not less than 2 x 8 inches, but in no case shall the roof rafters be less than 2 x 6 inches."

Art. 35. To see if the Town will vote to accept as an amendment to Section Ten (10) of the Building Regulations, Section 7d of the Zoning By-Law, so as to read as follows:

"A Board of Appeal shall be appointed by the Board of Selectmen, and shall consist of five (5) persons, three of whom shall be members of the Board of Selectmen, one a member of the Town Planning Board, and one shall be appointed from the citizens of the Town. This Board of Appeal shall be appointed annually at the first meeting of the Board of Selectmen following the Annual Town Meeting."

Art. 36. To see if the Town will vote to amend Section Twelve (12) of the Building Regulations, so as to read as follows:

"No wall structure, building or part thereof, shall hereafter be built, enlarged, altered or repaired, until a plan of the proposed work, together with a statement of the material to be used, shall have been submitted to the Building Inspector, who shall, if in accordance with the provisions herein contained, issue a permit for the proposed work.

"No fee shall be charged for the permit, when the value of the alterations or repairs will not total more than fifty (50) dollars, or to construct an outbuilding not more than 6 x 10 feet in size.

"A fee of one (1) dollar shall be charged for a permit for all construction, alteration or repair, when the total value of such work is more than fifty (50) dollars and not more than one (1) thousand dollars.

"A fee of two (2) dollars shall be charged for a permit to construct, alter or repair any building which is to be used in whole or in part as a dwelling, and for all construction, alterations and repairs, when the total value of such work will be more than one (1) thousand dollars."

Art. 37. To see if the Town will vote to accept as an addition to Section Seven (7) of the Building Regulations the following:

"No building of any size or for any purpose, shall hereafter be erected if the exterior side walls of such building are to be finished with tar paper, asphalt shingles, asphalt paper or any nondescript material or substance."

Art. 38. To see if the Town will vote to adopt as an addition to the Zoning By-Law the following:

"Any person or persons who sub-divide or cause to be sub-divided a parcel of land into two or more lots, shall be responsible for adequate markings to be clearly visible, made of material that will be permanent in nature, clearly marking and defining the boundaries of such lots. Such markings to be visible from one to another, around the entire boundary of each lot."

A motion by William W. Moxham, that a committee of five be appointed by the Moderator, to consider the proposed changes in the Building Regulations, was amended by Daniel M. Killoran, that action on Articles 34, 35, 36, 37 and 38, be indefinitely postponed, and the amendment was carried.

Art. 39. To see if the Town will vote to raise and appropriate a sum of money for the observance of the Fourth of July, said amount to be divided equally between the two precincts of the Town, and to be spent under the direction of the Board of Selectmen or by a Committee appointed by them, or what action it will take thereon.

Voted: On motion by H. F. Smith, to indefinitely postpone action on Article 39.

Art. 40. To see if the Town will vote to accept as a Public Way Ward Terrace as laid out by the Board of Selectmen and shown on a "Plan of Wardhurst Park, South Lynnfield," filed with the Town Clerk and Shay and Leary, Civil Engineers, and recorded with Essex South District Deeds, Plan Book 43, Plan 32A.

Voted: On motion by A. L. Hayward, that the Town accept as a Public Way, Ward Terrace as laid out by the Board of Selectmen, and shown on a "Plan of Wardhurst Park, South Lynnfield," filed with the Town Clerk, and Shay and Leary, Civil Engineers, and recorded with Essex South District Deeds, Plan Book 43, Plan 32A.

Art. 41. To see if the Town will vote to instruct the Board of Selectmen, to have an Annual Audit of the Town Accounts, in accord with Chapter 44, Section 40, of the General Laws, expense of same to be taken from General Government appropriation, or what action it will take thereon.

Voted: On motion by C. H. Russell, that the Town instruct the Board of Selectmen, to have an Annual Audit of the Town Accounts, in accord with Chapter 44, Section 40, of the General Laws, expense of same to be taken from General Government appropriation.

Art. 42. To see if the Town will vote to direct the Moderator to appoint a committee of three citizens of the Town, to codify the Town By-Laws, the committee to report not later than the next Annual Town Meeting.

Motion by G. M. Roundy, that the Town vote to direct the Moderator, to appoint a committee of three citizens of the Town, to codify the Town By-Laws, the committee to report not later than the next Annual Town Meeting, was voted unanimously. The committee appointed were Nelson B. Todd, Peter J. Walsh and Henry F. Smith.

Art. 43. To see if the Town will vote to direct the Moderator to appoint a committee of five citizens of the Town, to consider plans and desirable locations for a new school building, with cost thereof, the committee to report at a special town meeting or not later than the next Annual Town Meeting, and that a sum of money be appropriated for their expenses.

A motion by N. B. Todd, that the Town direct the Moderator to appoint a committee of five citizens of the Town, to consider plans and desirable locations for a new school building, with costs thereof, the committee to report at a Special Town Meeting, or not later than the next Annual Town Meeting, that the sum of $100.00 be appropriated for their expenses, was amended by R. O. Fraser, that the same committee serving previously be appointed, and the motion as amended was carried by a unanimous vote.

Art. 44. To see if the Town will vote to raise and appropriate the sum of $7,550.00 for new fire apparatus, one forest fire truck and equipment, and one 500-gallon pump; $2,000.00 to be provided for in the 1932 tax levy, $2000.00 in the 1933 levy; $2,000.00 in the 1934 levy, and the balance in the 1935 levy, or what action it will take thereon.

Voted: On motion by H. F. Smith, that Article 44 be referred to the next Annual Town Meeting.

Art. 45. To see if the Town will vote to raise and appropriate the sum of three thousand five hundred and thirteen dollars ($3,513.00) for the purchase of a Barton Centrifugal Fire Pump, 300 gallons per minute, mounted on an International chassis, for the use of the Fire Department, same to be placed at the Lynnfield Centre Station, or what action it will take thereon.

Motion by R. O. Fraser, that the Town vote to refer Article 45 to the next Annual Town Meeting, was amended by F. W. Freeman, that action on the Article be indefinitely postponed, and the amendment was unanimously voted.

Art. 46. To see if the Town will vote to raise and appropriate the sum of four thousand five hundred dollars ($4,500.00), for the purchase of, or for the purpose of taking by right of eminent domain, about four and one-half acres of land, for public use, located on Railroad Avenue, in the Town of Lynnfield, Mass., adjoining land now or formerly owned by Archie Hurlburt on the west, on the east by land owned by Carl Carter and others, and on the north by land now owned by the Town of Lynnfield, known as Suntaug Park, and that the Board of Selectmen be instructed to carry out the intent of this article, or what action it will take thereon.

Finance Committee recommends reference to next Town Meeting, and suggests that the Selectmen themselves or by a committee, confer with representatives of the Davis Estate.

Motion by Mrs. Neal D. Herrick, that the Article as printed be adopted, was amended by Henry F. Smith, that action on the Article be indefinitely postponed, and the amendment was carried.

Art. 47. To see if the Town of Lynnfield will vote to re-zone the property of Benjamin B. Shute on the easterly side of Main Street, from a residential district to a business district.—Ernest W. Savage and others.

Motion by Benjamin B. Shute, that the Town vote to re-zone the property of Benjamin B. Shute on the easterly side of Main Street, from a residential district to a business district, was amended by H. A. Haskell, that action on the Article be indefinitely postponed. The amendment was lost, 64 voting in the affirmative and 81 in the negative.

The original motion was then put, and 105 voted in the affirmative, and 65 in the negative, and as a two-thirds vote is required to change a By-Law, the motion was defeated.

A motion was made by George A. Cornet and seconded by William W. Moxham, that the action taken on Article 46 be reconsidered, and the motion was defeated.

All Articles in the Warrant having been disposed of, the meeting was dissolved at 9:58 P.M.

FREDERICK I. WILKINS,
Town Clerk.

WARRANT FOR STATE AND PRESIDENTIAL ELECTION, HELD NOVEMBER 8, 1932

THE COMMONWEALTH OF MASSACHUSETTS

Essex, ss.

To either of the Constables of the Town of Lynnfield, Greeting:

In the name of the Commonwealth you are hereby directed to notify and warn the inhabitants of said Town who are qualified to vote in Elections to meet in Precinct 1 at the Town Hall and in Precinct 2 at Chemical Hall, Tuesday, the eighth day of November, 1932, at 6.30 o'clock A. M., for the following purposes:

To bring in their votes to the Election Officers for the Election of candidates for the following offices:

Presidential Electors for this Commonwealth.
Governor for this Commonwealth.
Lieutenant Governor for this Commonwealth.
Secretary of the Commonwealth for this Commonwealth.
Treasurer and Receiver General for this Commonwealth.
Auditor of the Commonwealth for this Commonwealth.
Attorney General for this Commonwealth.
Representative in Congress for the 7th Congressional District.
Councillor for the 5th Councillor District.
Senator for 3rd Essex Senatorial District.
3 Representatives in General Court for 10th Essex Representative District.
2 County Commissioners for Essex County.
Sheriff for Essex County.

To vote upon the following questions:

QUESTION NO. 1
LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which defines and legalizes the practice of chiropractics; establishes a board of registration of chiropractors and defines the number, mode of appointment, tenure, qualification and compensation of its members, and its powers and duties; provides for the preliminary qualifications, examination, certification, original registration and annual license of chiropractors and regulation of their practice, and defines the mode, subjects of and fees for examination, the mode of practice and penalties; and other matters related thereto, which are chiefly as follows:

That chiropractic be "the science or practice of locating and adjusting by hand the malpositions of the articulations of the human spine."

That any person, with one preceding year's residence in this Commonwealth and with degree from a qualified chiropractic school received at least one year prior to the date when this law takes effect, may, within ninety days after such date, be certified by the board at its discretion without examination.

That otherwise no person, except a member of the board of registration, shall practice chiropractic unless, being over twenty-one years of age, of good moral character and graduated from a reputable chiropractic school after personally attending courses of at least twenty-two hundred sixty-minute daylight hours given to persons qualified to graduate from a public high school, he shall qualify by examination, pay a fee of twenty-five dollars and be registered and certified; except that any person licensed in another State maintaining standards equal to those of this Commonwealth may be registered without examination.

That the examination be scientific and practical in character, in subjects including anatomy, physiology, symptomatology, hygiene, sanitation, chemistry, histology, pathology, chiropractic analysis, and the principles and practice of chiropractic.

That the board may, after hearing, revoke a certificate for cause.

That the board shall make an annual report and shall keep public records of its proceedings and of the names of persons examined or registered by it and of the names and addresses of all registered chiropractors, who shall pay an annual license fee, promptly notify the board of any change in address and furnish such other information as the board may require.

That the board consist of three members, residents of the Commonwealth for three years, graduates of a chartered chiropractic school having power to confer degrees in chiropractic, to be appointed by the governor, with the advice and consent of the council, for a term of three years.

That the board have authority to administer oaths, summon witnesses and take testimony and adopt reasonable rules and regulations pertaining to their duties, and that they pay into the state treasury fees received by them, and that they receive compensation and reimbursement for expenses in such amounts as may be annually appropriated therefor not exceeding the amount of such fees.

Penalties are provided for practicing chiropractic without holding a certificate or for using the words, "Chiropractic Practitioner," the letters "D. C.," or any title or letters indicating engagement in such practice, or for buying, selling or fraudulently obtaining any diploma or record of registration.

It is further provided that the present law relating to the registration of physicians and surgeons and providing penalties for the unauthorized practice of medicine shall not be held to discriminate against registered chiropractors; but no chiropractor, unless registered as a physician or surgeon, may practice obstetrics, or administer drugs, or perform surgical operations by the use of instruments, or hold himself out as and for other than a chiropractor, **which was disapproved in the House of Representatives by a vote of 50 in the affirmative and 151 in the negative and in the Senate by a vote of 13 in the affirmative and 21 in the negative,** be approved?

QUESTION NO. 2

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed law which provides for an additional method of nominating candidates for nomination, at the state primaries in September, by members of political parties, for those offices to be filled by all the voters of the Commonwealth at a state election.

It provides that the state conventions of the political parties, in each state election year, shall be held before and not after the state primaries, as now, namely, not later than June 15. In order to elect delegates to such party conventions, party primaries are established to be held on the last Tuesday in April. Among other things, these state conventions may endorse candidates for offices to be filled by all the voters and to be voted upon at the state primaries. Such endorsement places a candidate in nomination, at such state primaries, without the necessity of filing nomination papers. The name of the endorsed candidate is to be placed first on the ballot and against his name is to be placed the words, "Endorsed by (the name of political party) convention" in addition to the eight-word statement now authorized by law. Candidates endorsed by a party convention may accept said endorsement within ten days, and having so accepted may not withdraw.

It also provides for the election of district members of state committees and members of ward and town committees at the proposed

party primaries in April, as well as delegates to the state party conventions, instead of at the state primaries in September as now.

It also provides for the election of delegates to national conventions (to nominate candidates for President) at the proposed party primaries instead of at the primaries, now specially held for that purpose, and which existing law requires to be held on the last Tuesday in April (the same day proposed for the proposed party primaries).

It also provides for certain other new provisions of law and certain changes in existing laws, relating to holding state conventions and party primaries, the number and election of delegates to state conventions, the number of members at large of a state committee, and other matters, which in more detail chiefly are as follows:

State conventions are to be composed solely of delegates elected at the party primaries, and the number is to be one from each ward and town and one additional for every fifteen hundred votes or major fraction thereof above the first fifteen hundred votes cast at the preceding state election in such ward or town for the political party candidate for Governor, instead of a number now fixed by the state committee of each party (not less than one from each ward or town) and certain members designated by existing law.

The time, for notice to the State Secretary by aldermen or selectmen of their determination to hold primaries by wards, precincts or groups of precincts, to be March 1, instead of August 1, as now.

The names of candidates for election for delegates to a state convention and for district members of a state committee to be arranged individually by alphabet instead of in groups arranged by lot, as now.

Vacancies in the office of delegate to a state or national convention not to be filled except in case of a tie vote, and then by delegates from the same district, within ten days, and if no other delegate or if not so filled, then by a state committee, rather than solely by the remaining members of the delegation and statement of filling of such vacancy to be filed with the State Secretary.

Seating of delegates at state conventions to be in groups by senatorial districts, and order of business at said conventions defined.

Voting on candidates, by a convention, to be by roll call, if more than one candidate for the office, or by groups of delegates unless any member of such group objects.

The number of members at large of a state committee of a political party to be fixed by the state convention of a party instead of by the state committee, as now.

The existing provisions as to preparation and filing of nomination papers, objections to nominations, preparation, number, substance, arrangement and form of ballots, hours during which polls shall be open,

opening of ballot boxes, canvass and return of votes, return and certification of votes now applicable to state primaries to be applicable to the proposed party primaries.

The power of a state committee to fix the number of district delegates to a national convention to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of on or before the third Wednesday in March, as now.

The power of city and town committees to fix the number of members of ward and town committees to be continued, but the date, of giving notice to the State Secretary, of such fixation to be March 1 instead of August 1, as now **which was approved in the Senate by a vote of 21 in the affirmative and 17 in the negative and was disapproved in the House of Representatives by a vote of 62 in the affirmative and 138 in the negative,** be approved?

QUESTION NO. 3

PROPOSED AMENDMENT TO THE CONSTITUTION OF THE UNITED STATES

Is it desirable that the proposed amendment to the Constitution of the United States,—

"ARTICLE—

"SECTION 1. The terms of the President and Vice President shall end at noon on the 20th day of January, and the terms of Senators and Representatives at noon on the 3d day of January, of the years in which such terms would have ended if this article had not been ratified; and the terms of their successors shall then begin.

"SEC. 2. The Congress shall assemble at least once in every year, and such meeting shall begin at noon on the 3d day of January, unless they shall by law appoint a different day.

"SEC. 3. If, at the time fixed for the beginning of the term of the President, the President elect shall have died, the Vice President elect shall become President. If a President shall not have been chosen before the time fixed for the beginning of his term, or if the President elect shall have failed to qualify, then the Vice President elect shall act as President until a President shall have qualified; and the Congress may by law provide for the case wherein neither a President elect nor a Vice President elect shall have qualified, declaring who shall then

act as President, or the manner in which one who is to act shall be selected, and such person shall act accordingly until a President or Vice President shall have qualified.

"SEC. 4. The Congress may by law provide for the case of the death of any of the persons from whom the House of Representatives may choose a President whenever the right of choice shall have devolved upon them, and for the case of the death of any of the persons from whom the Senate may choose a Vice President whenever the right of choice shall have devolved upon them.

"SEC. 5. Sections 1 and 2 shall take effect on the 15th day of October following the ratification of this article.

"SEC. 6. This article shall be inoperative unless it shall have been ratified as an amendment to the Constitution by the legislatures of three-fourths of the several States within seven years from the date of its submission"—be ratified by the General Court?

The polls will be open from 6.30 A. M., until 8.00 P. M., and you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the Town. Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk at the time and place of said meeting.

Given under our hands at Lynnfield this 24th day of October, A. D. 1932.

ARCHIE L. HAYWARD,
JOSEPH F. SMITH,
WALTER H. PERRY,
Selectmen of Lynnfield.

REGULATIONS ADOPTED BY THE BOARD OF SELECTMEN OF LYNNFIELD, AUG. 22, 1932

Regulations Governing Hawkers and Pedlars of Fruit, Vegetables, Fish, Etc.

Section 1. No persons, unless duly licensed by the Director of Standards of the Commonwealth, shall go from place to place in this town selling or bartering, or carrying or exposing for sale or barter, any meat, butter, cheese, fish, fresh fruits or vegetables, in or from any cart, wagon or other vehicle, or in any other manner, without a license therefor, from the Board of Selectmen; provided, however, that this section shall not apply to any person who sells only fruits or vegetables raised or produced by himself or by his family, or fish which is obtained by his own labor or the labor of his family.

Section 2. The Board of Selectmen shall have authority to grant such license to any person of good repute for morals and integrity who is or has declared his intention to become a citizen of the United States.

Said licenses, unless sooner revoked by the Board of Selectmen, shall expire on the thirtieth day of April after the granting thereof, and each person so licensed shall pay therefor, a fee of one dollar.

Section 3. Every vehicle or other receptacle used by a licensee while peddling shall have plainly printed on each side thereof, the name of the licensee and the number of his license.

Section 4. No person, hawking, peddling or carrying or exposing any articles for sale, shall cry his wares to the disturbance of the peace and comfort of the inhabitants of the town, or otherwise than in vehicles and receptacles which are neat and clean and do not leak.

Section 5. Any license granted under these regulations or any regulation amendatory or additional thereto, may be revoked by the Selectmen.

Section 6. Whoever violates any provision of these regulations, shall be punished by a fine not exceeding twenty dollars for each offense.

ARCHIE L. HAYWARD,
WALTER H. PERRY,
JOSEPH F. SMITH,
Selectmen of Lynnfield.

The above regulations were duly advertised in the Lynn Daily Eveing Item, as required by law, on August 26, and filed with the Town Clerk on August 29, when they became operative.

To the Commissioners of Essex County:

Gentlemen:

The undersigned inhabitants of the town of Lynnfield respectfully represent that the way known as Lowell Street in said town, at and near a point about three-quarters (¾) of a mile west of its junction with Main Street so-called, is unsuited to the present requirements of traffic, that the alignment is bad and there is a bad curve at this point; and they further represent that at the junction of said way with Main Street, where the corner was rounded by the County Commissioners in establishing the lines of Main Street in 1929, there is a need of still further widening, and that common convenience and necessity require that alterations be made at both points of Lowell Street above described.

Wherefore they pray that after due notice and a hearing, the County Commissioners may alter or relocate said Lowell Street at the points above described, and may discontinue any portions of the old way which by reason of their action may no longer be required.

STATE AUDIT

THE COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF CORPORATIONS AND TAXATION
DIVISION OF ACCOUNTS
State House, Boston

June 24, 1932.

To the Board of Selectmen,
Mr. Archie L. Hayward, Chairman,
Lynnfield, Massachusetts.
Sir:

I submit herewith my report of an audit of the accounts of the town of Lynnfield for the period from April 1, 1931 to May 4, 1932, made in accordance with the provisions of Chapter 44 of the General Laws. This report is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,
THEODORE N. WADDELL,
Director of Accounts.

TNW-MEF
Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston.
Sir:

In accordance with your instructions I have made an audit of the books and accounts of the town of Lynnfield for the period from April

1, 1931, the date of the previous audit, to May 4, 1932, the following report being submitted thereon:

The books and accounts of the collector and treasurer, as treasurer, were examined and checked. The recorded receipts were compared with the records of the several departments collecting money for the town and with the other sources from which money was paid into the town treasury, while the payments were proved by checking all treasury checks issued during the period covered by the audit to the selectmen's warrants authorizing the treasurer to disburse town funds.

Numerous errors in the clerical work of the treasurer were found and adjusted, after which the corrected cash balance as of May 4, 1932, was established and proved by a reconciliation of a statement furnished by the bank of deposit and by an actual count of the cash on hand.

It is apparent that the recommendations made in previous audit reports, to the effect that the treasurer make a determined effort to prove his cash book balance with the bank balance at least once each month have not been carried out.

The books and accounts of the collector and treasurer, as collector, were examined and checked in detail. The taxes outstanding at the time of the previous examination were audited, while all subsequent commitments of taxes were reconciled with the warrants committing the taxes for collection. The cash books were footed, the recorded collections were checked to the commitment books, the abatements were compared with the assessors' records of abatements granted, the payments to the treasurer were verified by a comparison with the treasurer's records of receipts, and the outstanding accounts were listed and reconciled with the accountant's ledger accounts.

A further verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town. Replies from a number of persons that their taxes were paid and not credited on the books were investigated, and it was found that taxes and interest amounting to $343.32, representing ten individual tax accounts, were paid prior to the audit date but not entered on the collector's cash books or posted to the commitment books. This amount, deducted from the sum of $570.66 representing an unidentified cash balance standing to the credit of the collector on May 4, 1932, leaves a surplus cash of $227.34 in the collector's possession, this surplus probably being due to additional tax collections not entered on the books by the collector.

No improvement in the method of keeping the collector's accounts was noted, it having been necessary to check all postings in detail in order to prove the tax collector's accounts. The detailed checking necessitated by the inaccurate manner in which the accounts were kept substantially increased the length of the audit and, consequently, its cost.

Payments to the treasurer by the collector should be made at least weekly, as required by Section 2, Chapter 60, General Laws, as amended, while the collection of interest on overdue taxes should be made strictly in accordance with Section 57, Chapter 59, General Laws.

In order that the town accountant's ledger may at all times reflect the true condition of the tax accounts, the assessors should promptly report to the town accountant all abatements granted, as required by Section 23-B, Chapter 59, General Laws. The assessors should also notify the collector promptly of all abatements granted by them, in accordance with the provisions of Section 60, Chapter 59, General Laws, as amended.

The town accountant's books and accounts were examined and checked. The recorded receipts were compared with the records in the several departments collecting money for the town and with the treasurer's cash book, while the recorded disbursements were checked with the treasury warrants and with the record of payments in the treasurer's office.

The appropriation accounts were examined and checked with the town clerk's record of appropriations voted by the town, the ledger accounts were analyzed, the necessary correcting and adjusting entries were made, a trial balance was taken off, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town on May 4, 1932.

The salaries of all elective officials should be fixed by an annual vote of the town, in accordance with Section 108, Chapter 41, General Laws.

The several trust funds in the custody of the town treasurer were examined, the income and the withdrawals being checked. Attention is again called to Section 54, Chapter 44, General Laws, dealing with the investment of trust funds.

In addition to the departments and accounts mentioned above, the accounts of all other departments collecting money for the town were examined and checked.

For the courtesies extended and the assistance rendered during the progress of the audit, I wish, on behalf of my assistants and myself, to express appreciation.

Respectfully submitted,

EDWARD H. FENTON,
Chief Accountant.

EHF-MEF

A complete report of the Audit is on file and open to inspection.

FREDERICK I. WILKINS,
Town Clerk.

Since our last annual report, the road over the Lynnfield-Wakefield bridge at the Saugus River has been resurfaced and the work was completed in a manner that was satisfactory to the State Highway Engineer, and was accepted.

Work on the Reconstruction of Summer Street was necessarily postponed, for while the State Department of Public Works were ready to co-operate with the Town of Lynnfield and Essex County Commissioners in the proposed project, the County Commissioners decided to expend no money during the year 1932 for Reconstruction work.

Acting under Article 16 at the Annual Meeting held March 14, 1932, the town voted to raise and appropriate the sum of $1,000.00, to be expended for highway equipment. Accordingly, your Selectmen purchased a Heavy Hydraulic Ford Dump Truck, with Dual Wheels, and Heavy Duty Tires, for use on the highways, and the department is now equipped with two trucks which should supply the requirements and reduce the operating expense.

Having received a number of complaints, and experiencing some annoyance through Hawkers and Peddlars operating in our town without licenses, your Selectmen adopted Regulations governing their operations in the Town of Lynnfield, which you will find printed in the Town Clerk's report.

The unemployment problem became more serious during the past twelve months and it has created difficult and trying conditions, which your board have endeavored to handle with their best judgment, with the desire to prevent and relieve suffering, and to serve the best interest of the tax payers.

Considerable work has been given to the unemployed citizens by the highway department which we found to be helpful in the exigency and relieved somewhat the drafts upon the Welfare Funds and proved to be more satisfactory to the unemployed, as well as bringing some return to the town in labor.

The Red Cross Chapter very generously contributed about 125 bags of flour, which has helped materially in relieving distress, and we wish to express our sincere appreciation of their generous donation.

The appropriation at the next March meeting for the Welfare Department for the year 1933, requires careful consideration and a wise decision.

With the desire to give our town more efficient service and better protection by the Police Department as well as to reduce the cost of operating, your Selectmen felt it wise to have a cruising car, installed with a radio receiving equipment in the service of the department, and to have the car upon the road continuously during the hours of service, both of the Night Officers operating in one car.

A trial of the plan demonstrated its success and we decided to make it permanent.

We wish to thank all Officers, Department Heads, employees and citizens of the town, who have co-operated with and assisted us during the year 1932.

Signed

ARCHIE L. HAYWARD, Chairman,
WALTER H. PERRY,
JOSEPH F. SMITH.

REPORT OF CHIEF OF POLICE

To the Honorable Board of Selectmen:

Gentlemen: I herewith submit my report for the year ending Dec. 31, 1932.

There have been 30 arrested in Lynnfield by Lynnfield Police, for the following reasons: Driving under the influence of liquor, larceny, operating without lights, and without license, and drunkenness.

We have served 27 summonses for out of town police. We are sorry to report that Officer Brown was in a bad accident on Main Street this year. Everett Harvey's store entered Dec. 25. In the absence of any report from the State Police, I do not know how many have been arrested in this town by the State Constabulary.

An officer has been on duty nights in both parts of the town. Chief on two and three days weekly.

The Lynn police have been very helpful.

Respectfully submitted,
ALBERT G. TEDFORD,
Chief of Police.

REPORT OF FIRE DEPARTMENT

To the Citizens of the Town of Lynnfield:

Herewith I respectfully submit my annual report of the Fire Department, for the year ending Dec. 31, 1932.

The Department responded to 150 alarms; 5 were building fires, 14 false alarms were sounded, 1 chimney fire, 9 auto fires. The balance forest, dump, and calls for other small fires. The total loss on buildings amounted to approximately $3800.

Respectfully submitted,
WILLIAM W. MOXHAM,
Chief of Fire Department.

REPORT OF BUILDING INSPECTOR

To the Honorable Board of Selectmen:
Gentlemen:

I herewith submit report of Building Department from March to December 31, 1932—classed as follows:

New Dwellings	16	approximate valuation	$49,200
New Additions to Dwellings	9	approximate valuation	2,200
New Business Buildings	4	approximate valuation	6,750
New Additions to Business Bldgs	3	approximate valuation	550
New Garages, Poultry Houses, etc.	19	approximate valuation	3,100
Repairs, Alterations, etc.	7	approximate valuation	2,800
Total Permits	58		$64,600

Fees for the above have been collected and accounted for to the Town Treasurer.

Five shingling permits were issued for which no charge was made.

Yours respectfully,

FRANK G. WINCHESTER,
Building Inspector.

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

Gentlemen:

The usual cleaning up of the streets was done and oil and tar were put on where needed.

The streets seem to be in good condition as a whole, but if this open winter continues there is liable to be some breaking up.

A sidewalk was built on Main Street and on Salem Street. I hope we will be able to continue this next year.

Respectfully submitted,

MINOT H. CARTER,
Superintendent of Streets.

REPORT OF SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

Gentlemen:

The following articles were sealed

2 Platform Scales
2 Platforms Under 500 lbs.
5 Counter Scales
1 Beam Scales
15 Spring Balances
1 Computing Scales
27 Avoirdupois Weights
11 Liquid Measures
27 Gas Pumps
3 Vehicle Tanks

Total Fees collected, $22.74.

Respectfully submitted,

MINOT H. CARTER,
Sealer.

REPORT OF SUPERINTENDENT OF MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

The past year's work was carried along the same lines as the previous four years.

Woodlands were looked over for Gypsy Moth infestations. The center part of the town is extremely good, but the south part has several infestations which are medium. These infestations comprise woodland on Walnut, Summer, Salem sts, and the Turnpike. These infestations are being creosoted. Brown-tail Moth infestations were very slight, confined to one place on Main Street, Lynnfield Centre, where eleven webs were found. This work is carried on under the supervision of the State.

An appropriation for Elm Leaf Beetles was made at the last annual town meeting. This appropriation was used for spraying the elms. The results were very satisfactory, and I think there will not be any need of an appropriation this coming year. I think the trees are in very good condition.

Respectfully submitted,

LYMAN H. TWISS,

Superintendent of Moth Dept.

REPORT OF INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Animals for the year ending Dec. 31, 1932.

I have inspected thirty-seven barns where animals are kept and have found all to be in good condition.

Respectfully submitted,

ARTHUR W. BRYANT,

Inspector of Animals.

REPORT OF INSPECTOR OF MILK

To the Honorable Board of Selectmen:
Gentlemen:

I herewith submit my report as Inspector of Milk for the year ending Dec. 31, 1932.

I have inspected the premises where milk was kept for sale and issued licenses in accordance with the law. Number of licenses granted, thirty-three Fees collected, $26.00.

Respectfully submitted,

ARTHUR W. BRYANT,
Inspector of Milk.

REPORT OF INSPECTOR OF SLAUGHTERING

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the year ending Dec. 31, 1932.

There has been no slaughtering in the town to my knowledge. I have filed all reports with the State Board of Health as required by law.

Respectfully submitted,

ARTHUR W. BRYANT,
Inspector of Slaughtering

REPORT OF COMMITTEE ON SCHOOL HOUSING

To the Citizens of the Town of Lynnfield:

Your Committee has during the past year again carefully gone over the question of school buildings for the Town of Lynnfield. We are of the opinion that the Town needs an additional school building. We believe the best solution would be to erect a building for Junior and Senior High School purposes. However, we have in mind business conditions and the resulting effect upon municipal borrowings. We also have in mind the necessary increase in tax rate which will result if a new building is erected. Notwithstanding the fact that we believe a new building is needed, we are of opinion also that it will be better for the Town and the townspeople to defer this expenditure until conditions shall have changed. We believe it will be better not to put the increased burden upon the people at this time although by postponing action it will undoubtedly result in a higher cost if the work is done at some time in the future.

The Committee employed at very slight expense, Mr. Charles G. Loring, who was the architect of the Hamilton High School, to furnish us with plans for a Junior-Senior High School for our Town, together with the plans for a Grade School. The time, therefore, has not been wasted. In order, however, that the matter may be kept in mind and prompt advantage taken of any change in business conditions, we recommend that a School-Housing Committee be again appointed with instructions to bring the matter before the Town promptly upon a favorable change in conditions.

Respectfully submitted,

LOUIS B. TUCK,
Secretary for the Committee.

REPORT OF MEMORIAL DAY COMMITTEE

To the Citizens of the Town of Lynnfield:

The appropriation for Memorial Day, May 30, 1932, was used as follows:

Decorating 115 graves semi-annually	$ 48.00
Repainting grave markers	12.50
Parade music	104.50
Dinner expense	35.00
	$200.00

Respectfully submitted,

T. HAWLEY,
Treasurer of Committee,
Lynnfield Post 131, American Legion.

REPORT OF TREE WARDEN

To the Citizens of the Town of Lynnfield:

At the last annual town meeting an appropriation was made for the care of the shade trees. This appropriation was used to take down dead trees and to trim up trees where there were dead and dangerous limbs, also some cavity work was done on trees that were very bad.

The street trees, as a whole, look very good, but I hope the appropriation will be much larger so that more work can be done along these lines.

Respectfully submitted,

LYMAN H. TWISS,
Tree Warden.

REPORT OF THE PARK DEPARTMENT

To the Citizens of the Town of Lynnfield:

We respectfully submit the report of the Park Department.

The improvements at Suntaug Park as are follows:

It is estimated that about 500 square yards of fill were taken from Suntaug Street and used to grade the land around the tennis court, also to continue Oak Street to the retaining wall at the water's edge.

The boathouse has been repaired and a suitable room built for storing equipment.

A new floor was laid on the old floor of the bandstand.

A well was driven to supply drinking water.

It was found necessary to build two toilets.

The "Centre Common" was mowed and trimmed more often than usual which was quite noticeable.

The "Jenney Common" and "Church Common" received their usual care.

A large tree was removed and other trees and bushes were trimmed at "Freeman Park." A few loads of fill, donated by Tom Cox, were used for grading. The park is still in poor condition, but in time will improve the looks of the entrance to the Town from this point.

Respectfully submitted,

ALBERT F. NEWHALL,
E. M. FLETCHER,
T. HAWLEY,
Park Commissioners.

REPORT OF CEMETERY COMMISSIONERS

To the Citizens of Lynnfield:

The Cemetery Commissioners would report for the year that the usual care has been given to the five cemeteries of the Town.

At Willow Cemetery, in addition to the usual upkeep, considerable clearing was done on the back of the Cemetery.

In Forest Hill Cemetery no heavy new work was done as the most important avenue work was completed last year. A large tree was removed from this cemetery and also one from the West Cemetery.

Although the appropriation was smaller than last year the Commissioners feel that the cemeteries have been kept in very satisfactory condition.

LYNNFIELD CEMETERY COMMISSION
SETH H. RUSSELL, Chairman.

REPORT OF LIBRARY TRUSTEES

December 31, 1932.

To the Citizens of the Town of Lynnfield:

Your Board believes the following reports of our Librarians, Miss Green and Mrs. Maynard, cover essential facts of Library activities for 1932.

Your Trustees are truly grateful to those who have so thoughtfully donated readable books and magazines during the past year.

Respectfully submitted,

HARRY E. MAYNARD, Chairman,
MALCOLM C. EATON, Secretary,
WILLARD I. OLMSTED.

REPORT OF THE SCHOOL COMMITTEE

The enrollment in Lynnfield Grammar schools and in the various High Schools and Trade Schools to which the town is sending its pupils was at the close of school in December, as follows:

	Centre	South	
Grade 1	16	11	
Grade 2	15	20	
Grade 3	12	18	
Grade 4	16	16	
Grade 5	20	15

From this table it is evident that the probable enrollment in High School Courses next year will be approximately 111. The enrollment this year was 107.

Considerable emphasis has been placed during the past year upon improving the grades of our High School pupils. It was found that previously there had been little or no opportunity for systematically checking the work of the pupils. In some cases it was found that the town was paying full tuition and transportation for pupils who were admittedly "just putting in their time." In an extreme case, the town had paid $150 tuition, and furnished transportation for a pupil who had earned, in a full year, only one credit, and that in physical education.

In order to impress upon our High School pupils the importance of their work, and in order that the town might get the benefits of the education for which it is paying, the School Committee adopted unanimously a ruling which in effect is as follows:

The School Committee will refuse to approve tuition payments for the tuition period following a pupil's failure to obtain a passing grade in at least 15 credits of school work. The procedure to be followed will be to notify the High School concerned that the town will no longer be responsible for the deficient pupils' tuition. The exceptions to this general rule will be only for cases where the causes are beyond the pupil's control.

Previous to the opening of the 1932 fall term, conferences were held with all High School pupils who had not done satisfactory work during the preceding year. The parents of the pupils were requested to be present at these conferences, and in practically all cases a real spirit of co-operation was found.

The outstanding finding of these meetings was that a number of

pupils were taking courses for which they had neither liking, adaptability nor respect. It was evident that a continuation would be merely a waste of time and money.

Arrangements were made for several of these pupils to enter Boston Trade School and Medford Trade School. That this decision was well made is shown by the very marked change in the attitude of these pupils. Their work is very satisfactory and they feel they are getting something out of their school work.

The only physical changes of any importance in the school equipment was made at the South School, where the boys' and girls' lavatories were remodelled and repainted, and a new sidewalk and curb were placed along the Salem Street front of the school.

The changes in the lavatories have been needed for many years, and the committee feels that the improvements in sanitation and ventilation are very well worth while.

The sidewalk and curb were selected as the best way to keep automobiles from using the school yard driveway and to definitely establish the bounds of the school grounds. The primary consideration was the safety of the school children.

REBATES

The following rebates to the Town Treasurer have been made by the State because of certain school expenditures.

State Wards	$ 396.80
General School Fund Part I	1,660.00
Superintendent's Salary	483.33
High School Transportation	4,798.13

SUPERINTENDENT'S REPORT

To the School Committee,
Dear Madam and Sirs:

I herewith present you my tenth annual report concerning the schools of Lynnfield.

The total enrollment in the elementary grades is three less than in 1931. The number of pupils in attendance at schools of secondary school grade is two greater than in 1931.

Although the total elementary enrollment has remained practically the same, we find that two of the rooms at the Centre School are over crowded while one of the rooms at the South School has but fifteen enrolled. With increases in enrollment greater than the capacity of either building it would be possible to maintain certain grades at each building and doubtless overcome crowded conditions for the present at least. This would require a large expenditure for transportation which does not seem advisable. It is hoped that a recommendation of the Committee on School Housing will be favorably acted upon before it is necessary to pay more for transportation of elementary pupils.

Due to the small enrollment in grade one at the South School it

has been possible to dispense with the services of one teacher.

Miss Isabel Thompson resigned her position as teacher of grades three and four at the Centre School to become effective at the close of school in June. This vacancy was filled by the election of Miss Gladys Andersen, a graduate of Salem Teachers' College, who had had two years' experience.

Since the opening of schools in September the teachers at both buildings have taken over the noon duties, thereby making it possible to dispense with the services of matrons.

Two new courses of study—one in Arithmetic for grades one to three and one in Health Education for grades one to six have been adopted for use. Both courses emphasize the practical more than the theoretical.

In order to determine the educational standard of our schools in comparison with that of other schools tests are frequently given. The standard to be obtained is determined from the test having been previously given by the authors in many school systems throughout the United States.

During November and December the New Stanford Achievement Test Form W was given according to the author's instructions to all pupils enrolled in grades four to eight. This test is composed of ten parts:—Paragraph Meaning, Word Meaning, Spelling, Language Usage, Literature, History and Civics, Geography, Physiology, Arithmetic Reasoning, Arithmetic Computation.

Author's standard median, the median for all towns under my supervision and median for grades at each building in Lynnfield are given.

MEDIAN SCORES

			Lynnfield	
	Author's	All Towns	South	Centre
Grade 4	50	49	54	49
Grade 5	65	65	62	71
Grade 6	76	77	73	69.9
Grade 7	84	85	94	93
Grade 8	92	89	95	95

Of the five median scores for each building in each case two medians are below the author's standard while three are above.

On the whole the results of these several tests give convincing proof that our schools are doing very satisfactory work. To raise our standard even higher, teachers are endeavoring to give more time to the individual classes or pupils as seems necessary.

As in past years the several organizations in town have supported

the schools—giving commendation when due or constructive criticism when found necessary.

At this time I wish to express to the members of the committee, the teachers, and parents my appreciation for their support of the school program provided the pupils.

Respectfully submitted,

J. D. WHITTIER.

ACCOUNTANT'S CERTIFICATE

The cash deposits and securities in the various Trust Funds are as stated in the Treasurer's Report.

The books of the Town agree with the cash receipts as reported by the Treasurer and the Treasurer states that all bills, from the various departments, have been paid, except as stated in the balance sheet.

There has been a further increase in the amount of outstanding temporary loans as at December 31, 1932, due to the increase in the amount of unpaid taxes.

RECORD OF TOWN MEETING

ANNUAL TOWN MEETING HELD MARCH 13, 1933
CALLED AT 7.30 P. M.

Article 1. To choose all town officers not required to be chosen by ballot, viz.: Three Field Drivers, one Pound Keeper, and three Wood Measurers.

On motion by Henry F. Smith, it was voted to appoint James D. McNamara, Daniel J. McCarthy and Joseph F. Smith as field drivers; Joseph F. Smith, as Pound Keeper; George M. Roundy, William E. Roundy and Albert G. Tedford as Wood Measurers.

Article 2. To act upon reports of town officers and special committees as published.

On motion by Milton H. Doremus, it was voted to accept the reports of town officers and special committees as published.

Article 3. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money on and after January 1, 1934, and to issue a note or notes therefor, payable within one year, any debt or debts incurred under this vote, to be paid from the revenue of the financial year beginning January 1, 1934.

On motion by C. H. Russell, it was voted, that the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1934, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1934.

On motion by N. B. Todd, it was voted to take up Article 32 for action.

Article 32. To see what action the Town will take with reference to fixing the rate of salaries and wages for Town Officers and employees.

After a discussion of the subject matter at some length, the following motion was offered by Mr. Todd.

That the annual salaries of elective town officers be fixed at the following amount:

Board of Selectmen, for entire Board	$500
Town Treasurer	$250
Town Clerk	$200
Collector of Taxes	$400

that the Assessors be paid at the rate of 45c per hour and that the Tree Warden be paid at the rate of $3.50 per day, and each have the

same rate of allowance for use of automobile as may be fixed by the Board of Selectmen for the use of automobiles by departments under their jurisdiction, and that the salaries or other compensation of appointed officers and for employees of the Town, be such amount as may be fixed by the proper department head but not to exceed the following: Clerk of Board of Selectmen, such amount as the Selectmen may see fit to pay from their salary.

Town Accountant	$500 per year
Registrars of Voters	each $12 per year
Election Officers	each $7.50 per election
Patrolman	$25 per week
plus such allowance for use of automobile as may be fixed by Board of Selectmen	
Inspector of Buildings	$125 per year
plus such amount for use of automobile as may be fixed by Board of Selectmen	
Sealer of Weights and Measures	$75 per year
with no allowance for use of automobile or $50 per year with such allowance for use of automobile as may be fixed by the Board of Selectmen.	
Board of Health	$20 per year for entire Board
Inspector of Animals	$40 per year
Inspector of Milk	$20 per year
Superintendent of Streets	$500 per year
to include use of automobile	
Board of Public Welfare	$50 per year for entire Board
Janitors, except Libraries	45c per hour
Library Janitors	present rate
Firemen	present yearly salaries
plus 45c per hour after the first hour, at each fire.	

The employees of the following departments:

Moth Department, Tree Warden Department, Park Department, Cemetery Dept.	$3.50 per day
Librarians	$3.00 per day

Motion by W. W. Moxham to adjourn, was defeated.

The Finance Committee recommends sum of $125,000.

Motion was made by H. P. Peabody, that there be raised and appropriated, the sum of $125,000, for the purpose of constructing, originally equipping and furnishing a junior-senior high school. All money received from the Federal Government under the National Industrial Recovery Act on account of such project shall be applied to meet the appropriation herein made, and to meet the balance of said appropriation the Treasurer, with the approval of the Selectmen, shall be authorized to borrow said sum and to issue bonds or notes of the town therefor, said bond or notes to be payable in accordance with the National Industrial Recovery Act, and insofar as not inconsistant with said Act, in accordance with Chapter 366 of the Acts of 1933 and Chapter 44 of the General Laws. The whole loan shall be paid in not more than 20 years or at such period as may be determined by the Emergency Finance Board referred to in said Chapter 366 of the Acts of 1933.

After a thorough discussion of the question, it was voted on the motion of D. M. Killoran, that the check list be used. C. H. Russell, J. D. McNamara and H. W. Treamer were appointed as tellers and C. A. Hall and W. W. Munroe as checkers.

The total vote cast was 387; 146 voting in the affirmative and 241 in the negative, and the motion was lost.

Article 1. To see if the Town will vote to authorize the Board of Selectmen to purchase for school purposes one of the tracts of land tendered to the Board of Selectmen and to appropriate a sum of money therefor. Tenders received by the selectmen:

	Tender	Assessed	Acres
1. Davis Lot	$ 7,250.	$ 5,500.	5¾
2. Perry Lot	5,000.	2,200.	13
3. Barnjum Lot	3.300.	approximately 1,000.	10
4. Wardhurst Lot	15,000.	17,000.	9
5. Pyburn Lot	13,000.	2,950.	6

Schoolhousing Committee recommends Lot No. 1.

Finance Committee recommends Lot No. 3.

Voted: On motion by D. M. Killoran, to indefinitely postpone action on Article 1.

Article 3. To see if the Town will vote to authorize the moderator to appoint a committee of five to have charge of all matters connected with the construction and equipment of a junior-senior high school and the development of the land upon which such buildings shall be located, such committee to have full authority to make any and all necessary contracts for the complete carrying out of the project.

Voted: On motion by C. H. Russell that action on Article 3 be indefinitely postponed.

The meeting was dissolved at 10.45 P. M.

Frederick I. Wilkins,
Town Clerk.

STATE AUDIT

THE COMMONWEALTH OF MASSACHUSETTS
DEPARTMENT OF CORPORATIONS AND TAXATION
DIVISION OF ACCOUNTS

State House, Boston

May 2, 1933.

To the Board of Selectmen,
Mr. George W. Peavey, Chairman.
Lynnfield, Massachusetts.

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Lynnfield for the period from May 4, 1932 to March 17, 1933, made in accordance with the provisions of Chapter 44, General Laws.This is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Respectfully submitted,
THEODORE N. WADDELL,
Director of Accounts.

TNW:CAB

Mr. Theodore N. Waddell,
Director of Accounts,
Department of Corporations and Taxation,
State House, Boston,
Sir:

As directed by you I have made an audit of the books and accounts of the town of Lynnfield for the period from May 4, 1932, the date of the previous audit to March 17, 1933, and submit the following report thereon:

The books and accounts of the collector and treasurer, as treasurer, were examined and checked. The recorded receipts were compared with the records of the several departments collecting money for the town and with other sources from which money was paid into the town treasury, while the payments were proved by comparing all treasury checks issued during the period of the audit with the selectmen's warrants authorizing the treasurer to disburse town funds.

A corrected cash balance was established by adjusting the clerical errors and was then proved by a reconciliation with the bank statements furnished by the bank as of March 17, 1933.

The reconciliation of the treasurer's cash showed a net cash discrepancy of $710.98, which was paid over by the treasurer on April 3, 1933.

In checking the treasury checks to the warrants, it was noted that the treasurer lent the sum of $10,000 from town funds to a contractor. Although this money appears to have been repaid to the town by the former town treasurer, it is needless to say that this transaction was very irregular.

The books and accounts of the collector and treasurer, as collector, were examined and checked in detail. The outstanding taxes at the time of the previous examination were audited, while all subsequent commitments of taxes were reconciled with the warrants committing the taxes for collection.

The recorded collections were checked in detail to the commitment books, the abatements granted by the assessors were listed and checked to the collector's books, the cash book was footed, the payments to the treasurer were verified by a comparison with the treasurer's records of receipts, the outstanding accounts were listed and the necessary adjusting entries were made and reconciled with the accountant's ledger accounts. A copy of the detailed, outstanding accounts covering the various levies was given to the assessors for re-commitment to the new tax collector.

A verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town. Among the replies received were a number claiming that the taxes in question had been paid, and upon investigation it was found that taxes and interest amounting to $438.31 had not been credited upon the books of the collector. This sum was paid into the town treasury by the former tax collector on April 3, 1933, and, in addition thereto, the amount of $700.35 was paid, on April 22, 1933, to the new tax collector by the former collector on account of further proofs submitted by tax-payers to the effect that their taxes had been paid but had not been credited on the former collector's books.

The town accountant's books and accounts were examined and checked. The recorded receipts were compared with the records in the several departments collecting money for the town and with the treasurer's cash book, while the recorded disbursements were checked with the treasury warrants and with the record of payments in the treasurer's office.

The ledger accounts were analyzed, the necessary correcting and adjusting entries were made, a trial balance was taken off, and a balance sheet, which is appended to this report was prepared showing the financial condition of the town on March 17, 1933.

The securities representing the investment of the trust funds in the custody of the town treasurer were personally examined and listed, the income and withdrawals being checked.

In addition to the departments and accounts mentioned above, the accounts of all other departments collecting money for the town were examined and checked.

For the co-operation extended by the town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,
EDW. H. FENTON,
Chief Accountant.

EHF:CAB

A complete report of the Audit is on file and open to inspection.

FREDERICK I. WILKINS,
Town Clerk.

REPORT OF SELECTMEN

To the Citizens of the Town of Lynnfield:

Your Board of Selectmen respectfully submit their report for the year 1933.

At the meeting held March 6th, the Board consisting of George W. Peavey, Archie L. Hayward, and Clarence A. Studley, organized and George W. Peavey was elected as Chairman, and Fred I. Wilkins was appointed Clerk of the Board.

Committee appointments were made as follows:

Supervisor of the Town Hall, George W. Peavey.

Supervisor of Chemical Hall No. 2, Clarence A. Studley.

Health Officer, Archie L. Hayward, who resigned on March 13, and Dr. Franklin W. Freeman was appointed to serve without compensation.

The record of other appointments can be found in the Report of the Town Clerk.

On account of the changes made in some of the Town Officials at the Election of March 6, the Director of Accounts and your Selectmen felt it was necessary to have a State Audit of the Town Accounts, which the Town voted to do, and a summary will be found in the report of the Town Clerk, as required by the laws of the State.

In accordance with the vote of the Town passed at the Annual Meeting of March 13, 1933, your Selectmen entered into a new contract with the Lynnfield Water District, for hydrant rental for a period of five years, dating from April 1, 1933.

A charge of $25.00 per hydrant was agreed upon, making a saving to the Town of $5.00 per hydrant, the rental to be paid December 1st each year.

In conformity with the decision of the voters of the Town at the Special Election on June 13, 1933, we have, in accord with the laws of the State, issued licenses to sell wine, malt beverages and liquors, with the necessary restrictions.

The unemployment problem has been more difficult to care for than ever before, the number of unemployed totaling 134, and we have endeavored to handle the situation wisely.

The C. W. A. Projects have relieved the drain on the finances of the Town quite materially and largely thru the efforts of the local Administrator, George W. Peavey, six Projects were approved by the State Administrator, which gave employment to 73 men, over quite a period of time; caring for necessary repairs and improvements and saving a substantial amount for the Town.

We have also received from the Federal Government, contributions or pork, eggs, butter, coal and beans, which has aided in relieving distress and suffering.

The appropriation for the needy and distressed, should be made with discretion and serious thought, for the ensuing year.

We experienced dissensions in the Police Department, which made it necessary to make changes in the personnel of the police force also to purchase a police cruiser, and since the changes, there has been harmony and better efficiency and the maintenance expense somewhat reduced.

The Board has had conferences with the Dept. of Public Works in the effort to have the State take over Salem St. from the square to the Wakefield line, with the purpose of having dangerous curves eliminated, and the road bed widened, with some encouragement that the plans may be consumated in the near future.

We take this opportunity to thank all officers, Department Heads, employees and citizens of the town who have co-operated with and assisted us during the year 1933.

Signed,
GEORGE W. PEAVEY, Chairman,
ARCHIE L. HAYWARD,
CLARENCE A. STUDLEY,
Selectmen of Lynnfield

REPORT OF CHIEF OF POLICE

December 31, 1933

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1933.

There have been nineteen arrests during the year for the following reasons:

Driving under the influence of liquor.
Larceny.
Operating motor vehicle without lights.
Operating motor vehicle without license.
Drunkenness.

We have served, also, thirty summons for out of town police.

Early in January a cruising car equipped with radio was put on the road and, with the cooperation of the State Police, it can be reached by the citizens on short notice by calling the State Police Patrol, telephone Reading 0348 between the hours of 9 o'clock P. M. and 5 o'clock A. M.

Two patrolmen have been on duty every night and the Chief can be reached at all times by calling Lynnfield Centre 100.

The regular patrolmen and some of the special officers have at-

tended the police school which was carried on at Reading and have obtained considerable valuable information and instruction in the performance of their duties.

Respectfully submitted,
ALBERT G. TEDFORD,
Chief of Police.

REPORT OF FIRE DEPARTMENT

Lynnfield, Mass., December 31, 1933

To the Citizens of the Town of Lynnfield:

Herewith I respectfully submit my annual report of the Fire Department for the year ending Dec. 31, 1933.

The Department has responded to 69 alarms; 7 were building fires; 20 were brush and woods fires; 12 were automobile truck and bus fires; Oil burners, 2; Chimney fires, 1; Dump fires, 2; we report the rescue of 2 cats—1 on roof of house corner of Salem and Grove St.—1 up a tree at Swains in Salem St., in both cases the weather was exceptionally cold and stormy. Seven alarms were false. The balance consisted of stills and needless alarms.

The total loss on building fires was approximately $8,500, partially covered by insurance.

Respectfully submitted,
WILLIAM W. MOXHAM,
Chief of Fire Department.

Respectfully submitted,
CHARLES E. PEARSON,
Building Inspector.

REPORT OF SUPERINTENDENT OF STREETS

Year ending December 31, 1933

To the Honorable Board of Selectmen:
Gentlemen:

This year we tried to do things that required a lot of hand labor. The first part of the year we had to work some of the men two and three days a week after the weather opened up and the regular men worked a full week and the others three days.

Clark Road was rebuilt, Highland Ave. was completed, Beaver Ave. had some gravel and needs more. The culvert at Chestnut Street was relaid and a new fence, the usual street cleaning was done also catch basins and drains cleaned out.

We only put Tar and Oil on streets that were in bad shape. Sidewalks were built on Main Street from Summer to Essex and from Munroe Street to Locust Street on Salem Street also from Harvey's Store to old railroad crossing on Turnpike.

Respectfully submitted,
MINOT H. CARTER,
Supt. of Streets, Town of Lynnfield

Total Fees collected, $13.80.

Respectfully submitted,
MINOT H. CARTER,
Sealer

REPORT OF SUPERINTENDENT OF MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:

The past year's work was carried along the same lines as the previous five years.

Woodlands were looked over for Gypsy Moth infestations on Salem, Summer, Walnut and the turnpike are much improved. There is about a 25 percent decrease in egg clusters. Other woodland in various parts of the town were looked over and treated. The General condition of the town is good. Brown-tail moth infestation was slight, confined to only two webs.

This work was carried on under the supervision of the State Department of Conservation.

Respectfully submitted,
LYMAN H. TWISS,
Superintendent of Moth Dept.

REPORT OF INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of animals for the year ending December 31, 1933.

I have inspected 33 barns where animals are kept and have found all in good condition.

Respectfully submitted,
ARTHUR W. BRYANT,
Inspector of Animals.

REPORT OF INSPECTOR OF MILK

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Milk for the year ending December 31, 1933.

I have inspected premises where milk was kept for sale and issued licenses and permits as required by law.

Number of permits and licenses issued	51
Fees collected	$27.00

Respectfully submitted,
ARTHUR W. BRYANT,
Inspector of Milk.

REPORT OF INSPECTOR OF SLAUGHTERING

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the year ending December 31, 1933.

There has been no slaughtering in the town to my knowledge. I have filed all reports with the State Board of Health as required by law.

Respectfully submitted,

ARTHUR W. BRYANT,
Inspector of Slaughtering.

REPORT OF DOG OFFICER

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Dog Officer for the year ending December 31, 1933.

I have answered 56 calls, killed 24 dogs, found home for 6 and have examined 8 sick dogs.

To the best of my knowledge all dogs have been licensed.

Respectfully submitted,

ARTHUR W. BRYANT,
Dog Officer.

REPORT OF TREE WARDEN

To the Citizens of the Town of Lynnfield:

At the last annual town meeting an appropriation was made for the care of shade trees.

This appropriation was used to take down dead trees and to trim up trees where there were dead and dangerous limbs. Also trees where the branches were low and obstruct traffic along the highway.

Some cavity work was done on trees that were bad.

I hope a much larger appropriation will be made so that more work can be done along these lines.

Respectfully submitted,

LYMAN H. TWISS,
Tree Warden.

REPORT OF MEMORIAL DAY COMMITTEE

To the Citizens of the Town of Lynnfield:

The appropriation for Memorial Day, May 30, 1933, $175.00, was used as follows:

Decorating 115 graves	$ 42.00
Parade music	95.00
Dinner expense -	38.00
	$175.00

Respectfully submitted,

T. HAWLEY,
Treas. of Committee Lynnfield
Post 131, American Legion.

REPORT OF THE PARK COMMISSIONERS

To the Citizens of the Town of Lynnfield:

We respectfully submit the report of the Park Department.

Suntaug Park

The patronage at Suntaug Park is increasing from year to year in a very satisfactory manner. In the past year the old tennis court was made over, with another court added, and a wire fence built around the outside.

We were fortunate in obtaining fill from the State when they rebuilt the shoulders on Salem Street and also from the C. W. A. on Walnut Street. We believe there is enough to complete the job of filling in to the wall beside the boat house.

The bank behind Suntaug Inn, in our opinion, should be walled up to prevent the rains from washing it down into the tennis courts and the ball field.

There is a great deal of labor to be done in the coming year at Suntaug Park and for this reason we will ask the citizens to appropriate the same amount as last year.

Other Parks

The smaller parks have been cared for in the usual manner.

REPORT OF CEMETERY COMMISSIONERS

To the Citizens of the Town of Lynnfield:

The Cemetery Commissioners report that all five town cemeteries have been given general care.

Some extra work was done in the Old Burying Ground which we feel was well worth while as it greatly improved its appearance.

At the Willow Cemetery an additional area in the rear was cleared to make more land available for lots.

Respectfully submitted,

Lynnfield Cemetery Commissioners,

SETH H. RUSSELL, Chm.

REPORT OF LIBRARY TRUSTEES

To the Citizens of the Town of Lynnfield:

Notwithstanding our Finance Committee's appropriation being too limited to even cover the overhead expenses of our Libraries, thus forcing application of funds normally applicable to the purchase of reading matter to maintainence account, the Libraries have carried on to the greatest possible advantage under the conditions. A large quantity of readable books have been re-bound and put back in circulation and this, with the purchase of new books with the small amount of funds available, at greatly depreciated prices, has enabled the Libraries to maintain the interests of our citizens as the following reports of the Librarians will attest.

The Trustees cordially invite suggestions of constructive nature from our Townsfolk, and with thanks to the many extending favors the past year, remain,

Respectfully,

W. I. OLMSTED,
M. C. EATON,
SYLVIA A. MAYNARD,

Trustees.

HOUSING

It is absolutely necessary that we have additional school rooms in the year 1934. At present we have rooms up to and over their capacity in both schools and the situation from a sanitary and educational point is serious. If the Junior and Senior High School had been accepted by the town it would have solved the housing problem in the grade schools for some time to come.

The problem can be solved (without considering a new high school) by one of two ways. The building of a new grade school in the South District of eight rooms which would take care of the seventh and eighth grades in both ends of the town with an estimated cost of $60,000 and would take care of the growth of the South part for some time to come. The alternative would be to add two rooms to the present Centre School at an estimated cost of $20,000 which would also take care of the seventh and eighth grades from both ends. The only extra maintenance item in this would be transportation of these grades (seventh and eighth) plus the possibility of extra teachers if and when we find it necessary to divide the grades one to six.

The addition if made to the Centre School should be of brick construction of unit design to be added to in the future as required for expansion.

REPAIRS TO BUILDINGS AND GROUNDS

During the past year new urinals have been installed at the Centre School and the building painted as authorized by the 1933 annual town meeting, and with the appropriation granted for the purpose.

Under the C. W. A. program a new lunch room has been developed at the South School, two rooms, new floors, lights installed and painted. At the Centre School the grounds have been partially graded, one wall waterproofed and a new cement well cover made with iron manhole.

We have a smaller enrollment at Wakefield this year but our next year's entry will bring the total again to the natural increase.

We have encouraged entry into Trade schools this year which reduces our High School enrollment.

The cost is actually lower on Trade school than High School and results have shown the wisdom of this course.

The Committee have worked with scholars and parents the past two years, with the idea of trying to bring our system to a higher standard and much good has resulted from these efforts.

HEALTH

During the year we have had an epidemic of whooping cough in the South part and in connection with the Board of Health standard rules as to quarantine and preventative measures have been instituted to guard against possible recurrence, of this as well as all other communicable diseases.

Our tuition at Wakefield High has been reduced this year to conform to their schedule of curtailed operation.

Mr. William Griffin, janitor of the South School passed away during the year. Mr. Griffin served the town faithfully for seventeen years and he is greatly missed.

SUPERINTENDENT'S REPORT

To the School Committee,
Dear Madam and Sirs:

My eleventh annual report is herewith presented.

ENROLLMENT

At the close of schools in December, 129 pupils were enrolled at the Center School, while 120 pupils were enrolled at the South School, making a total of 249 pupils in the elementary grades. Eleven pupils are enrolled in Vocational schools while ninety-six pupils are enrolled in high schools. Thus the town is providing educational opportunities for three hundred fifty-six pupils.

TEACHERS

We were exceedingly fortunate during the year in being able to retain all but one teacher. Miss Frances Stockley resigned as art supervisor at the close of school in June. Miss Grace Jenkins, formerly art supervisor in Wakefield, was elected to fill the position caused by this one resignation.

Our teachers are doing excellent work. Their preparation is painstakingly made; their methods are such as to arouse the interests of the pupils; their knowledge of the abilities of the pupils tends to secure from each maximum results; their contacts with pupils in formal classroom work or informal activities on the playground are such as desired to bring out the best traits of pupils in work and play.

VOCATIONAL EDUCATION

During the past two years the number of pupils enrolled in vocational schools has greatly increased. An effort has been made to discourage pupils entering high school if they showed an inclination to fit themselves for a trade. Pupils have been urged to leave high school in certain cases to enter the trade schools.

The several enrolled in The Boston Trade School for Girls, The Boston Trade School for Boys, The Medford Vocational School, The Essex County Agricultural School for Boys and The Essex County Home Making School for Girls are all doing commendable work while a few are attaining distinction in certain types of handiwork.

The proximity of Lynnfield to the several vocational schools of exceptional high standing should induce many more of our grammar school graduates to pursue vocational training.

POST GRADUATES

Doubtless the question is often asked, Why do pupils take a post graduate course and why does the town pay the tuition and transportation charges?

The pupil who pursues a post graduate course either desires to obtain a more satisfactory preparation to do college work or desires to pursue studies which will prepare him for special gainful occupation.

The standards for admission to educational institutions beyond the high school are continually being raised thereby making it more difficult to enter or to remain after once accepted as a student. Therefore, the need of the best preparation possible, before seeking admission.

Due to the depression, graduates of high schools often find it impossible to attend the advanced schools of their choice and neither can they secure positions. Therefore these pupils feel that they should improve their time with study.

It is gratifying to note that the school committees of Lynnfield have always been desirous of providing educational opportunities, at town's expense, for those pupils who have a desire to profit from available educational opportunities.

The number of deserving young people desiring to further their education beyond high school, and to whom the cost prohibits, if they must leave home, has already been instrumental in the organization of Junior Colleges as a part of several City School systems maintained at public expense. We shall doubtless see this number of Junior Colleges greatly increased during the immediate future.

Your committee is fully justified in approving for payment, tuition charges for post graduate students who have a satisfactory reason for pursuing their studies and maintain a high standard of scholarship.

HELPING TEACHERS

We have been fortunate in having the service of one helping teacher at each building since October. These teachers are graduates of teacher training institutions, and, being without teaching positions, are giving their time to work in our schools for the purpose of gaining experience.

They each have one or more classes daily in addition to their coaching of pupils needing individual attention.

Several high school pupils at the Center have been allowed to go to the school for coaching in the morning.

These teachers benefit from the experience gained in instructing, while our pupils are able to receive the needed help during school hours.

GRADUATION

For several years previous to last June, public graduations have been held, at which our grammar schools have provided the musical program and an outside speaker has been provided to give an address appropriate for the occasion.

Our graduation of last June was unique in that the pupils provided the entire program. Several townspeople contributed their services in securing material for pupils' essays and in coaching them in their delivery.

The quality of the program rendered by our pupils was such that I am sure we shall wish to continue this plan in the future.

SCHEDULE FOR FIRST GRADE

During the first three months of the school year pupils of grade one at the South School were required to attend school only during the morning session. This allowed the teacher the entire afternoon to devote to grade two, and was beneficial to pupils of grade one as they

gradually adapted themselves to their new surrounding and school life by the half day's attendance. It is hoped this plan may be continued with the next year's first grade both at the South and Center Schools, if suitable transportation can be provided to return pupils to their homes at the close of the morning session.

NURSERY SCHOOL

Through aid provided by the Federal Government a Nursery School is soon to be established provided sufficient parents are interested in enrolling their children not now in school.

If a sufficient number of mature children enroll, the work done with them will be of Kindergarten grade otherwise we shall follow methods of the Nursery Schools.

It is anticipated that many parents will avail themselves of the opportunity to enroll their children. Whether or not the school is continued after June 30th will depend upon securing aid from the Federal Government and upon the desire of such educational opportunities in Lynnfield.

HIGH SCHOOL BUILDING

Elsewhere in this town report will be found a report of the School Housing Committee. The report will doubtless be one of disappointment to those who have desired to make it possible to provide further educational opportunities for the pupils of grades seven, through high school in Lynnfield.

It would seem, that rather than feeling disappointed, they might well feel encouraged, realizing that they are but "blazing the trail" or "breaking the ground" as has been found necessary wherever any municipal advance has taken place.

When the need for this educational progress is fully understood by the citizens of the town I believe they will wish to register their vote on the side of progress. This need must be considered in the light of benefits to the town, and to the boys and girls, rather than be figured entirely on increased costs.

If costs alone and not educational progress determined whether or not schools should be maintained we might expect that only the wealthiest communities of this commonwealth would maintain schools.

I anticipate that, in the not too distant future, the School Housing Committee of your town will have so effectively demonstrated the need of extending its educational facilities that the voters will consider they have been privileged to live in a generation when their vote can count for so much toward progress.

In closing I wish to express appreciation for the splendid co-operation I have received from the school committee, the several organizations of the town, the parents and teachers, in the work of administering the schools.

Respectfully submitted,

JOHN D. WHITTIER.

NO SCHOOL SIGNAL

In case of no school for the day in grades or high school, announcement will be made by Station WNAC between seven and eight o'clock.

AGE OF ADMISSION

No child will be admitted to the first grade at the opening of school in September, who was not five years of age on or before the first day of April preceding his entrance.

Pupils are admitted to this grade only during the first two weeks of school in September unless they have attended school in some other town.

VACCINATION

Children who have not yet been vaccinated will not be admitted to school in September unless they present a certificate from a regular practising physician, stating that they are not fit subjects for vaccination. Parents are requested to attend to this matter during the summer vacation or exemption must be presented at the opening of school to entitle children to admission.

REPORT OF COMMITTEE ON SCHOOL HOUSING

To the Citizens of the Town of Lynnfield:

Your Committee, after several meetings, decided that as a new school building will have to be built in the not far distant future, the present was an opportune time for submitting the question to the voters of the Town.

The project was presented to the Finance Committee and was favorably endorsed by them.

At a special Town meeting in October the voters rejected our recommendations, and at a second special meeting in December, sustained the rejections.

Our reasons for making the recommendations follow:

1. Our own two school buildings are taxed to capacity, and additions will be necessary on one or both of our present buildings.

2. Sec. 4 of Chap. 71 of the General Laws of the Commonwealth, provides that every town containing, according the latest census, state or national, five hundred families or householders shall unless specifically exempted by the department, and under conditions defined by it, maintain a high school. There seems to be no doubt that the next State Census in 1935 will show the Town of Lynnfield to have that number of families.

3. The cost to maintain such a school as we require would not cost much more than we are paying now for tuition and transportation for our present high school pupils.

4. A site on Summer Street, known as Huckleberry Hill, was agreed upon by the Committee. We would have liked to have obtained a site in the geographical center of the Town but none was available. The site chosen was as near the center as any we could find with adequate acreage, 10 acres being considered a minimum for buildings and play grounds.

5. The N. R. A. plan of loaning the towns money for just such projects as these was considered favorable to the tax-payers by the Committee. Under this plan the Town secures $125,000 from the N. R. A. $37,500 of this is a grant and does not have to be paid back by the Town. The Town signs notes for $87,500 at 4% interest and make payments to the Federal Government yearly, beginning the 4th year after the loan is made. This gives the Town 3 years to pay for the land before returning any money on the loan.

Building would be at costs as low as they are likely to be for some time to come, and would be in line with President Roosevelt's Recovery Program in that it would provide immediate employment for many in

the construction of the building and laying out the grounds and further create at least 8 new permanent positions and add a few families to our population.

Respectfully submitted,
LOUIS B. TUCK,
Secretary for the Committee.

ACCOUNTANT'S CERTIFICATE

The cash deposits and securities in the various Trust Funds are as stated in the Treasurer's Report.

I certify that the receipts as reported by the present Treasurer were as stated in that official's report, and that the payments, by the various departments for the year were as stated in the foregoing report.

The balance sheet of the Town as of Dcemeber 31, 1933 is in agreement with the books of the Town and, in my opinion, it correctly presents the financial position of the Town as of December 31, 1933.

The cooperation of the present Town Treasurer and the Collector of Taxes, has been of great assistance in performing the accounting, and the prompt submission of the reports of other departments helps considerably in the compilation of this report.

CARL H. RUSSELL,
Town Accountant.

QUESTION NO. 1.

LAW SUBMITTED UPON REFERENDUM PETITION

Shall a law described as follows:—

This law amends General Laws, Chapter 131, as previously amended, by repealing section 105A thereof and adding thereto three new sections, 105B, 105C, and 114A.

Section 105B provides that whoever uses any trap or other device for capture of fur bearing animals, which is not designed to kill such animal at once or to take it unhurt and which is likely to cause continued suffering to an animal caught therein, shall be fined fifty dollars, but traps or other devices for protection of property, set not more than fifty yards from any building, cultivated plot, or enclosures used for rearing poultry or game birds, to the use of which the presence of vermin may be detrimental, are excluded from the application of this section.

Section 105C provides for the submission to the voters at a municipal election in any city or town upon petition, of the question of whether the operation of section 105B shall be suspended or if it has been already suspended, of the question whether it shall again be operative in such city or town.

Section 114A provides that the Commissioner of Conservation may suspend the operation of section 105B for a period not exceeding 30 days within any specified territory under the control of his department.

The law also provides for the submission, by the selectmen to the voters at a special town meeting in the current year, upon petition, of the question as to whether the provisions of section 105B shall be suspended in any town; and which was approved by both branches of the General Court by vote not recorded, be approved?

To obtain a full expression of opinion, voters should vote on both of the following questions:

(a) If the voter desires to permit the sale of any and all alcoholic beverages in this city, or town, he will vote "YES" on both questions.

(b) If he desires to permit the sale of wines and malt beverages only herein, he will vote "NO" on question 1 and "Yes" on question 2.

(c) If he desires to prohibit the sale of any and all alcoholic beverages herein he will vote "NO" on both questions.

1. Shall licenses be granted in this city, or town, for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

2. Shall licenses be granted in this city, or town, for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)?

1. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

2. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

The polls will be open from 6.30 A.M. to 8 P.M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this twenty-second day of October, A. D. 1934.

The unemployment problem has continued to be very difficult to handle and has called for extreme care and our best judgment. Once more the Government Grants, secured by our local Administrator, George W. Peavey, have helped relieve suffering, reduced the de-

mands upon the town's finances and the projects have helped improve and saved the town a considerable sum of money.

The contributions of food supplies from the Federal Government also have been a great help to the needy.

The several departments over which we have supervision have co-operated with us and it has been possible to keep well within the appropriations, in most cases, through careful supervision.

As authorized by the vote of the town at the March meeting, a new police car and Ford dump truck were purchased, and a satisfactory allowance was realized for the old car and truck bringing the cost of the new ones well within the amounts appropriated.

A petition has been filed with the State and County, asking their co-operation with the Town in building necessary shoulders on Salem Street; the State to pay 50% of the cost and the County and Town 25% each, and an appropriation will be asked for at the Annual Town Meeting in March, to cover the Town's portion of the cost. We feel if this work can be done, the Town will make a substantial saving as it has been an annual expense to keep the shoulders safe.

During the month of July there were several cases of rabies in our town, and more in the surrounding towns, and we issued an order restraining all dogs for a period of 60 days as a precautionary measure, and no further cases developed.

Learning that the Jenney Manufacturing Company was building a new driveway to its Gasoline Station, we found upon investigation that the Company had cut across a small parcel of land that was deeded to the town in the year 1923.

We immediately entered a protest, and after a number of conferences with the Company, we entered into an agreement with them, whereby they agree to keep the plot of land at the corner of Salem Street and Broadway, suitably grassed, grass to be cut at regular intervals, and the so-called park to be landscaped and suitably shrubbed, this agreement to continue as long as the Jenney Mfg. Co. conducts the gasoline station.

Looking forward we can see in the near future, the need of a piece of land suitable upon which to build a Fire and Police Station in the Centre, and learning that plans were under way to place a dwelling house on the land south of the library building, Mr. Charles O. Blood kindly consented to purchase the land in question, and hold it for the Town, that it may purchase same, and we sincerely hope the voters will be ready to make the necessary appropriation at the coming March Meeting with which to buy this piece of land.

On account of the increasing traffic on Salem Street, from the Wakefield line, the present bridge at said line is inadequate to care for same and it is in rather a weakened condition, and your Board has, in co-operation with the Selectmen of Wakefield, petitioned the

State and the respective Counties, to co-operate with the Towns in building a wider and more substantial bridge that the traffic may be provided for more efficiently and safely. The petition calls for a payment of 50% of the cost by the State and the balance to be equally divided between the Counties and the Towns.

Health Regulations: Sensing the growing necessity for the adoption of health regulations for our town, your Board appointed a committee consisting of Walter H. Perry, Harold P. Peabody and Dr. Ralph N. Brown, our School Physician, to co-operate with your Selectmen in drawing up regulations that will provide adequate health protection for our town. These regulations have been adopted and when money is available they will be printed.

An emergency having arisen which made it imperative that more room be provided, to properly care for our pupils, we co-operated with the School Committee by giving them authority to use temporarily the lower hall in the town hall for the seventh and eighth grades from both Centre and South Schools, which has relieved a serious condition for the time being.

The town having voted at the annual meeting last March, acting under Article 29, to appropriate the sum of $8,000.00 for the purchase of a Standard Fire Department Pumping Engine, the committee appointed, consisting of your Board of Selectmen, William W. Moxham and John S. Caldwell, purchased a 600-gallon Mack Pumping Engine, which adds much to the fire protection of our town.

Noting that the heating cost at the town hall has been extremely high, we felt it was good business for the town to take steps to reduce the cost, consequently we asked for and received proposals and bids from several reputable heating concerns for the installation of an oil heating unit in accordance with our specifications.

Upon receiving the recommendation of the Finance Committee that we install an oil heating unit at an expense not exceeding $1,300, we contracted with the Thomas Hickey Coal and Oil Co., to install in the town hall a Kohler Oil Burning Steam Boiler, 26-14 and a Delco Oil Burner, Model D 12, total capacity 2330 sq. ft. of steam radiation, to be installed according to our specifications, at a cost of $1,014, and we are assured that this system will more than fulfill our requirements and will pay for itself in the saving of fuel within the next three years.

We wish to express our appreciation, and to thank all officers, department heads, employees and citizens of the town who have co-operated with and assisted us during the past and most trying year in the history of our town.

CLARENCE A. STUDLEY,
GEORGE W. PEAVEY,
WALTER H. PERRY,
Selectmen of Lynnfield.

REPORT OF CHIEF OF POLICE

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1934.

There have been twenty-two arrests during the year, for the following reasons:

Larceny.
Drunkenness.
Driving under the influence of liquor
Operation motor vehicles without lights.
Operation motor vehicle without license.

Lynnfield Police have, also, served twenty-nine summons for out of town police.

The cruising car, equipped with radio, has been maintained during the year and with the co-operation of the State Police it can be reached on short notice by calling the State Police Patrol, telephone Reading 0348 between the hours of 8 o'clock P. M., and 4 o'clock A. M.

Two patrolmen have been on duty every night and the Chief can be reached by calling Lynnfield Center 100 at all times.

Respectfully submitted,
ALBERT G. TEDFORD,
Chief of Police

REPORT OF FIRE DEPARTMENT

To the Citizens of the Town of Lynnfield:

I respectfully submit my annual report of the Fire Department for the year ending Dec. 31, 1934.

The Department has responded to more than 65 alarms: 6 were building fires, the loss on which for the year was small, the remainder of the alarms consisted of auto fires, forest fires, chimney fires, dump fires, false and needless alarms. The problem of the false alarms I am glad to say has not been so bad during the past year. I respectfully call your particular attention to the fact that we should extend the fire alarm signal service, the whole town is inadequately covered by fire alarm boxes.

Respectfully submitted,
WILLIAM W. MOXHAM,
Chief Lynnfield Fire Dept.

Fees for above have been collected and turned over to Town Treasurer.

Fourteen shingling and chimney permits have been given for which no charge was made.

Respectfully submitted,

C. E. PEARSON,
Inspector of Buildings

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

Gentlemen:

This past winter there was an unusual amount of snow and ice which cost us about $3,000.

The usual cleaning up of the streets was done and tar was put on where needed.

We bought a new Ford Truck and snow plow this year.

A sidewalk was built from Essex Street to Russell's store on Main Street, also from Chestnut Street to Mr. W. E. Gilson's house on Main Street.

A gravel sidewalk is being built on Salem Street from Summer to Walnut Street with the hope of being treated with a hard surface this coming year.

Respectfully submitted,

M. H. CARTER,
Superintendent of Streets

7 Spring scales.
4 Computing scales.
1 Slot weighing scale.
16 Avoirdupois weights.
8 Liquid measures.
1 Gasoline meter.
31 Gas pumps.
32 Gasoline stops on pumps.

Total fees collected, $13.12.

Respectfully submitted,
MINOT H. CARTER,
Sealer

REPORT OF SUPERINTENDENT OF MOTH DEPARTMENT

To the Honorable Board of Selectmen:
Gentlemen:

The past year's work was carried along the same lines as the previous six years. Woodlands were looked over for infestations. There was a slight increase in gypsy moths. The centre part of town remains very good. With the help of CWA workers more woodland was looked over with very good results. Nine brown-tail moth webs were found. They were found near the Wakefield line. This work was carried on under the supervision of the State Department of Conservation.

Respectfully submitted,
LYMAN H. TWISS,
Supt. of Moth Dept.

REPORT OF INSPECTOR OF ANIMALS

To the Honorable Board of Selectmen:
Gentlemen:

I herewith submit my report as Inspector of Animals for the year ending December 31, 1934.

I have inspected 30 barns where animals are kept and have found all in good condition.

Respectfully submitted,
ARTHUR W. BRYANT,
Inspector of Animals.

REPORT OF INSPECTOR OF MILK

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Milk for the year ending December 31, 1934.

I have inspected premises where milk was kept for sale and issued licenses and permits as required by law.

Number of permits and licenses, 40.

Fees collected, $25.00.

Respectfully submitted,
ARTHUR W. BRYANT,
Inspector of Milk.

REPORT OF INSPECTOR OF SLAUGHTERING

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Inspector of Slaughtering for the year ending December 31, 1934.

There has been no slaughtering in the town to my knowledge.

I have filed all reports with the State Board of Health as required by law.

Respectfully submitted,
ARTHUR W. BRYANT,
Inspector of Slaughtering.

REPORT OF DOG OFFICER

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report as Dog Officer for the year ending December 31, 1934.

Owing to the prevalence of rabies in this and nearby cities and towns much more work has been called for. Fortunately only two positive cases were reported in this town.

Have answered 70 calls.

Killed 21 dogs and found homes for ten.

To the best of my knowledge all dogs have been licensed.

Respectfully submitted,
ARTHUR W. BRYANT,
Dog Officer.

REPORT OF MEMORIAL DAY COMMITTEE

To the Citizens of the Town of Lynnfield:

The appropriation for Memorial Day, May 30, 1934, was used as follows:

Decorating 116 graves	$ 38.25
Parade music	95.00
Dinner expense	41.75
	$175.00

Respectfully submitted,
T. HAWLEY,
Treasurer of Committee, Lynnfield Post 131, American Legion.

REPORT OF TREE WARDEN

To the Citizens of the Town of Lynnfield:

At the last annual Town Meeting an appropriation of $400.00 was made to take care of shade trees. This amount was used to take down dead trees, also to remove dead limbs which were very dangerous. There is a lot of such work to be done, but owing to such a small appropriation it is impossible to make much headway. I think the people do not fully realize the amount of work to be done along these lines. Some of this work is very slow and dangerous. I hope a larger appropriation will be made this year for the work. Also an appropriation for the planting of some new trees.

Respectfully submitted,
LYMAN H. TWISS,
Tree Warden.

REPORT OF PARK DEPARTMENT

To the Citizens of the Town of Lynnfield:

The Park Department has taken care of the lawn at the Common and the trimming of the trees, also filled and graded some of the park at the Wakefield line.

It was necessary to take down the old boat house at Suntaug Park to prevent injuries to the children. The tennis courts were all regraded and the park as a whole was regraded and rolled.

With the assistance of the ERA project we were able to complete the filling of Suntaug Park and, also, build a retaining wall about 600 feet long. This wall has been capped for about 400 feet, and should be finished during 1935, including pointing.

We are planning on the use of the loam from the town hall parking space to help grade all the parks during 1935.

Suntaug Park was used more this year than ever before, and this

should be taken into consideration by us, as it gets the children off the streets and gives them a chance to pay in safety.

Respectfully submitted,
E. M. FLETCHER, Chairman.

REPORT OF CEMETERY COMMISSIONERS

To the Citizens of the Town of Lynnfield:

The Cemetery Commissioners report that all five town cemeteries have been given general care.

During the past year a sizeable area has been plowed and worked over at the Willow Cemetery. This is a step in the right direction as it makes available better and more uniform lots.

We feel that a similar plan would be advisable at Forest Hill when funds are provided.

Respectfully submitted,
LYNNFIELD CEMETERY COMMISSIONERS.

REPORT OF LOCAL ADMINISTRATOR

To the Citizens of the Town of Lynnfield:

I hereby submit for your approval a report of the CWA and ERA activities for the year ending December 31, 1934.

The Federal Government allotted to us the sum of $13,583.70 for labor. The cost of materials and gasoline for trucks has been taken from various department appropriations, eliminating the necessity of asking for special appropriations.

We have during the year finished the widening of Walnut Street and hope that the Board of Selectmen of the coming year will carry out the plans of your present Board, that is, scarify the entire length of this street, roll it and bind the new and old with one coat of oil and one coat of tar. The available funds would not permit doing this in the year 1934.

Of the above amount $1980 was spent for a retaining wall at Suntaug Park. I am sure the results of this project are gratifying and of great benefit to the future development of this park.

Upon petition from citizens in Precinct Two, the Board of Selectmen decided to use $1,000, Precinct Two's share of the regular Sidewalk appropriation, in connection with an ERA project, to build a gravel sidewalk on Salem Street. We were granted $3,042 for labor on this job giving us practically $3.00 for each $1.00 of the town's money that we spent. I feel this was good business.

We have been granted $3,072 for labor for construction of a suitable parking area at the town hall. A project for street numbering is now under way. We were granted $518.40 for the labor. The town's share will be about $15. Plans 1 foot wide and 3 feet long are being

made. The street frontage is being marked every 50 feet and two numbers are allotted to each 50 feet.

We have been allotted $2,268 for the Eradication of Tree Pests. This project is for the killing of gypsy moths, creosoting, and cutting down wild cherry and other trees that serve as breeding places for pests.

Employment has been given to an average of thirty men. Application for ERA work has reached its peak for the year at the time of this report. Not counting the young men who have applied for work we have forty-five applications. All have been given some work. We have managed to carry on, without asking for a special appropriation, but have about reached the limit. If ERA work is to continue, we will have to appropriate a sum of money for materials. It is hard to estimate exactly how much this work has cut our Welfare and Soldiers' Relief Expenditures, but I believe it has saved these departments at least $5,000 in the year 1934.

Respectfully submitted,
GEORGE W. PEAVEY,
Local Administrator.

REPORT OF LYNNFIELD FIRE PUMP COMMITTEE

To the Citizens of the Town of Lynnfield:
Ladies and Gentlemen:

In accordance with the vote, the Committee appointed at the Annual Town Meeting in March , 1934, proceeded to organize and to purchase a Standard Fire Pumper for the use of the Lynnfield Fire Department, price not to exceed eight thousand dollars ($8,000), five hundred dollars ($500) to be taken from the regular Fire Department appropriation.

After many meetings the committee voted to purchase a Mack 600-gallon pumper. The committee agreed it was better to purchase a 600-gallon pump and equip same with all necessary equipment, that should go with a piece of apparatus of this kind, than to purchase a 750-gallon pump and not have many useful extras.

The extras included 1,000 ft. of 2½ in. hose, 1 foam generator, is equipped with the latest traffic signal, 1 life belt, various sizes of nozzle tips, 1 distributing nozzle, 1 angle nozzle, 3 gas masks, 1 male and 1 female double hose connections, 1 first-aid kit, 1 burst hose jacket, 1 door opener, 1 4½ in. swivel suction ell, 1 extra length of 4½ in hard suction hose, 3 lengths 2 in. suction hose, 1 pipe holder, and other small connections.

The price complete was $7,995.26. After a severe and successful road and pumping test, conducted by the New England Fire Insurance Underwriters Exchange, the pump was accepted by the committee, and after a pleasant evening spent at a dinner, attended by many of the

citizens of the town, the committee dissolved, very much satisfied with their purchase. We sincerely hope that this report meets with your approval.

Very truly yours,
The Committee:
WILLIAM W. MOXHAM, Chairman,
GEORGE W. PEAVEY, Secretary,
CLARENCE A. STUDLEY,
WALTER H. PERRY,
JOHN S. CALDWELL.

REPORT OF LIBRARY TRUSTEES

To the Citizens of the Town of Lynnfield:

The committee wishes to thank everyone who has contributed books and magazines to the Library in the past year.

We are sorry to relate that we were unable to buy the required number of books, as it was necessary to install a new heater in the branch library. The three old radiators have been replaced by a new style gas heater which is very satisfactory.

We will endeavor to make up for this in the coming year, and we would welcome any constructive criticism.

Respectfully submitted,
MALCOLM C. EATON, Chm.,
WILLIAM W. GRACE, Sec'y,
RUDOLPH P. SCHLENKER.

To the School Committee,
Dear Madam and Sirs:

My twelfth annual report is herewith presented for your consideration.

ENROLLMENT

At the close of schools in December there were 111 pupils enrolled in the Centre School, 103 pupils enrolled in the South School and 36 pupils enrolled in the seventh grade maintained at the Town Hall. 96 pupils were pursuing work of secondary school grade; 89 were enrolled in high schools and 7 were attending vocational schools.

This number for which the town is providing educational opportunities is ten smaller than that of last year.

TEACHERS

For the first time in several years it is not necessary to report the resignation of any full time teacher during the calendar year. One additional teacher has been employed since September to serve as principal and to teach grade six and the special group at the South School.

Changes In Organization

Due to over-crowded conditions in rooms at the South School, the third grade and one division of the fourth grade are taught by Miss Rand, the fifth grade and another division of the fourth grade are taught by Miss Tilton while the sixth grade and a special coach group are taught by Mr. Kennard.

At the Center School the first six grades are maintained in three rooms with two grades to a teacher.

Since we are allowed the use of a room at the Town Hall, it is possible to school all the seventh grade pupils in town in this building. All pupils of grade eight are schooled in the Center Building.

Under this plan of organization for grades seven and eight each teacher devotes one-half day to each grade. The work has been departmentalized in so far as possible. Miss Mitchell has been assigned classes of both grades in Mathematics, Social Science, General Science for boys and the work in Music, Hygiene and Drawing for the eighth grade only. Mrs. Ridley teaches classes of both grades in English, Literature, Penmanship, Spelling, and Sewing for girls, and Music, Hygiene and Drawing for the seventh grade only. General assemblies for both grades are held once in two weeks, and the pupils of the two grades alternate in providing the programs. Daily periods of approximately forty-five minutes are devoted to the major subjects while thirty minute periods are assigned to minor subjects.

With the purpose in mind of overcoming some of the difficulties pupils experience after going on to high school, about one-half of each period is devoted to recitation and the remainder of the period to supervising the pupils' preparation of assigned work. This allows sufficient time during the period for the teacher to assist those having difficulty with their work.

It has been our purpose to so arrange the assignments that home work with but a few exceptional cases is limited to thirty minutes daily. By offering Sewing to the girls and General Science to the boys we have enriched the offerings of the two grades with work which has especially appealed to both, and which may have a tendency to guide them in their choice of a high school course.

EMERGENCY EDUCATIONAL PROGRAM

Under aid received through the Federal Emergency Relief Administration it has been possible to maintain Nursery Schools and for a short time conduct classes for adults.

Considerable difficulty has been experienced in securing the approval of instructors at state headquarters and therefore our program since June has been limited to the maintenance of one Nursery School at the Center. It is hoped that a Nursery School will be organized at the South as soon as an approved instructor can be secured.

UNIT WORK

In grades one to four, a plan for Unit Work has been adopted. Around one unit or topic the larger part of the work in the grade is built for a week or month as is necessary. Under this plan the teacher

so organizes the work that pupil interest is aroused because of the fact that each pupil contributes something toward building up the unit of work.

Meetings are held once in two months for all teachers of grades one to four in this Union at which time demonstrations of the work are given by the teachers of the town where the meeting is held. At the meetings of January and June the Lynnfield teachers will give the demonstration.

Building Inspection

"The Self-Inspection Blank for Schools" prepared by the Board of Fire Underwriters was recently used for recording an inspection of the buildings by the principals, janitor and myself.

Questions on the blank were so worded that a negative reply indicated an unsatisfactory condition.

Results were as follows:—

Center School—Four answers in the negative.

South School—Seven answers in the negative.

Town Hall—No answers in the negative.

Several changes are now being made to eliminate certain obvious fire hazards.

COURSE OF STUDY

The State Department of Education has provided the following courses of study prepared by the special committee on Curriculum Revision:—

Course of Study in English for Junior High Schools.

Course of Study in Physical Education.

Grades 1-3

Grades 4-6

Manual for Teaching:—The Effects of Alcohol, Stimulants and Narcotics upon the Human Body.

By the adoption of courses published by the Department it is possible to have the most recent approved standards as guides in organizing the work of the schools.

STANDARD TESTS

The Gates Silent Reading Test (for grades 3-8) have been given in grades 3-6 inclusive. The results show that a few pupils are not up to the standard set for their age or grade. With the necessary individual instruction and guidance to the pupil in his silent reading it seems reasonable to expect that pupil difficulties will be reduced to a minimum.

The teachers of the elementary grades are being requested to attend a conference on the teaching of reading which the School of Education of Boston University has arranged to be held this month.

HOBBIES

During these times as never before educators are asked to help direct the pupils' use of leisure time. Pupils are surrounded with many worth while things to do but somehow do not seem to take advantage of the many opportunities at hand. They neglect these opportunities largely because of lack of guidance or appreciation of the satisfaction to be derived from doing something worth while. They often have a feeling that doing something which they are not required to do amounts to but little in the estimation of adults.

That our pupils may make better use of their leisure time and have the satisfaction of doing something in their own way which may be recognized by adults as commendable and from which much pleasure is derived pupils are now being encouraged to have a hobby.

Teachers will encourage pupils to become interested in a hobby with the hope that the home will assist by making it possible for the hobby to be carried out. If reasonable results are achieved an exhibit of hobbies will be held at the school during the early part of the next school year.

COURSE ON HEALTH EDUCATION

We were fortunate in securing the services of Dr. Frederica Moore, Consultant in School Hygiene, of the State Department of Public Health to give six lectures for the teachers of this Union.

Topics discussed by Dr. Moore were:—

1. General Health Problems
2. The Teacher and Her Health
3. Teacher's Relation to Control of Communicable Diseases
4. Correlation of Defects and Retardation in grades 1-8
5. How to Make Health Teaching Interesting
6. Selection of Materials for Health Teaching

From the interesting lectures teachers gained much useful information to take back to their classrooms for the general improvement of our health curriculum.

ATTENDANCE

With but a few exceptions the attendance in all grades has been exceptionally high during the year. Our excellent attendance record may well be attributed to the fact that our children are generally healthy, that parents realize there is only one place for the child to be when school is in session, and that the work of the school is made interesting to the child.

LUNCH-ROOM FACILITIES

With the remodelling of the lunch room at the Center we now have most satisfactory lunch rooms at both buildings. Provision of more satisfactory tables and chairs are now needed at the Center.

With these lunch rooms so well equipped it would seem advisable to enlarge the lunch room service possibly allowing a concession to someone in the community to run the lunch room. To look after the many details of a room in which there are seventy-five children is more than should be expected of one person and especially of a teacher who must go directly from the work in the lunch room to her classes without time for relaxation.

CO-OPERATION

As in previous years the teachers and pupils have appreciated the many services rendered by individuals and organizations. Assistance rendered in many cases has been such as could not have been provided through regular channels of school expenditures. Giving of money and time for such service demonstrates true citizenship to a much greater degree than is often realized.

CONCLUION

I take this opportunity to express my appreciation for the splendid service, and co-operation rendered by all who have in any way made it possible to maintain the standard of our schools as a whole and to make improvements in the several instances.

Respectfully submitted,

J. D. WHITTIER,
Superintendent of Schools.

REPORT OF SCHOOL COMMITTEE, 1934

Regular monthly meetings have been held on 3rd Friday of each month with several special meetings. On account of crowded conditions it was necessary to install a classroom in the Town Hall in which we consolidated the grade from the South School. While this arrangement is not ideal it has served its purpose well and we are in hopes that steps will be taken to build for the town a suitable school building which will serve our needs for some time to come.

We feel that the results from the combination of grades and methods of teaching in the 7th and 8th grades will warrant its continuance until new quarters are found.

The conditions at Wakefield High School are still discouraging but these facts are so well known there is no need for further report.

At a conference with the Finance Board, Selectmen and Plan-

ning Board, preliminary action has been taken to seek P. W. A. Funds for building of new School Houses. What will come out of this cannot be foretold.

We have again encouraged enrollment in Trade Schools and results seem to have justified this action.

We have this year improved the lunch room at the Center School. Now the pupils of both schools have a clean and pleasant place to spend their luncheon period.

NO SCHOOL SIGNAL

In case of no school for the day in grades or high school, announcement will be made by Station WNAC between seven and eight o'clock.

AGE OF ADMISSION

No child will be admitted to the first grade at the opening of school in September, who was not five years of age on or before the first day of April preceding his entrance.

Pupils are admitted to this grade only during the first two weeks of school in September unless they have attended school in some other town.

VACCINATION

Children who have not yet been vaccinated will not be admitted to school in September unless they present a certificate from a regular practising physician stating that they are not fit subjects for vaccination. Parents are requested to attend to this matter during the summer vacation or exemption must be presented at the opening of school to entitle children to admission.

ACCOUNTANT'S CERTIFICATE

The cash on hand and cash deposits in the various Trust Funds are as stated in the Treasurer's Report.

The receipts as reported by the Collector of Taxes and the Treasurer were as stated in the reports of those officials, and the payments, from the various appropriations for the year were as stated in the foregoing report.

The balance sheet of the Town as of December 31, 1934, is in agreement with the books of the Town and, in my opinion, it correctly presents the financial position of the Town as of December 31, 1934.

The unpaid taxes as of December 31, 1934 have increased materially over the corresponding date in 1933 as have the Tax Titles held by the Town necessitating the carrying over of $35,000.00 of Revenue Loan Notes.

CARL H. RUSSELL,
Town Accountant

January 29, 1935.
